

Fire guts Powerstock Primary School

FIRE has destroyed much of the Victorian building at Powerstock Primary School after a suspected electrical fault in the IT suite.

Despite extensive damage to the oldest part of the school building, head-teacher Jean-Paul Draper

by Tom Glover

is hoping to re-open on Monday after the half-term break.

"Both the school and local community are incredibly saddened by the fire," he said.

"We are very grateful that there were no children or staff on the premises at the time and that no one was harmed.

"We understand that the fire may have been caused

by an electrical fault. The main Victorian building has been severely damaged and surveyors are on site assessing the damage.

"However, our modern extension has been largely unaffected and our temporary classroom has not been damaged at all, so we

are looking to see if we can open the school as usual on Monday following the half-term break."

Two crews from Bridport and a crew from Dorchester were called to the school shortly after 6:30am on Monday morning (October 24th) following a

number of reports from the public.

Fire Incident Officer, Bridport Watch Manager Toman Lau, said: "When we arrived the whole roof of the main building was on fire and our priority was to save the buildings alongside it – a classroom to the left and an annex building containing IT equipment and all the children's records.

"We quickly extinguished a small fire which had started in the guttering and eaves of the classroom which had spread from the main building."

A further crew from Beaminster was called to the scene along with a water carrier from Bridport.

Relief crews from Maiden Newton and Lyme Regis took over to continue damping down and make the building safe with crews in attendance for almost 12 hours on Monday.

Bridport Town Councillor Karl Wallace, whose sons Josh, 7, and Cody, 10, both attend the primary

school, said teachers, pupils and parents were distraught when they heard the news.

"When my little boy heard he was in floods of tears," he said.

"The teachers are devastated and so are the parents, it's a lovely Victorian building and it has been completely destroyed.

"I'm sure the school will do all it can to re-open after half term but at least

buildings and equipment can be replaced, people can't.

"The most important thing is that nobody was hurt and hopefully they can now rebuild that part of the building as quickly as possible.

"The kids are upset and they need continuity so if the school is going to re-open on Monday then that is brilliant news, the best we could hope for."

AUTHOR Louise Hodgson, 64, has recently been busy launching her latest book - *Secret Places of West Dorset*.

Born in Sussex and brought up in Cheshire, Louise went on to live in some of the world's most interesting cities, spending time in London, Amsterdam and California.

Despite travelling the globe Louise has spent most of her life in the westcountry and she currently resides in Corscombe near Beaminster. Having graduated from the Manchester College of Art in her younger years Louise still enjoys painting and is also a big animal lover and, as her latest book suggests, is a fan of the Dorset countryside.

Louise spoke to the *View From* this week about her own favourite reads, her top tips for new writers and why she would like to have Ian Hislop round for dinner.

DO you believe everyone has a book in them?

Yes, everyone's life has elements that can be shared with others. However, writing a book requires skill, dedication and hard work.

WHAT top three tips would you give to an amateur writer?

Enthusiasm, research and dedication.

WHAT do you like most about West Dorset?

The huge variety of landscape features – sea, coastline, hills, streams, meadows and woods. I also find intriguing the ancient hollow-ways and myriad foot-paths that criss-cross the countryside. I love exploring and my recently published book *Secret Places of West Dorset* covers many of these special places.

WHAT would you like to change?

The uninspiring housing developments that blight our lovely countryside and the fact that many villages have lost their original Dorset inhabitants and are now filled with second homes that are empty for most of the time. I would like to see some law brought in that allows Dorset families to retain the family homes that Death Duties render untenable. Due to demand from outsiders, simple cottages are valued at hugely high prices and cannot be handed down to descendants but have to be sold. When the local families go, so does the soul of a place.

WHAT inspired you to start writing?

My love for this part of Dorset and a desire to share my enthusiasm and to inspire people to explore this beautiful area.

WHO is your favourite author and why?

Ithell Colquhoun, because of her varied talents in both writing and art, her vision and her ability to go 'looking round corners'.

WHAT is your all time favourite book and why?

Daimonic Reality by Patrick Harpur. It brilliantly conveys the fact that there are other dimensions other than just the physical world.

WHERE do you see yourself in five years time?

Writing and presenting television documentaries on country-life and the beauties of the landscape.

WHO would be your three dream guests at a dinner party?

King Charles II, Lord Byron and Ian Hislop. The latter to prick pomposity, Byron for poetic intensity and glamour and King Charles because I've a love for majesty.

WHAT was the last book you read, film you watched and CD you listened to?

The last book was *Shamanism and Sacred Landscapes* by Chris Trwoga, the last film was *The Search for Tony Blair* and the last CD was *Entroducing* by DJ Shadow.

Community groups celebrate funding boost

COMMUNITY groups throughout the town are celebrating a funding boost after Bridport Town Council awarded £24,000 in grants. Grants to cover everything from running

SUPPORTING BRIDPORT | Bridport Town Mayor, Councillor Dave Rickard, presented £24,000 worth of grants to local organisations

costs and transport fees to play equipment and training courses were awarded to a total of 29 organisations.

The bulk of the money was awarded to four major Bridport organisations, as part of continued support from the town council.

The Bridport Arts Centre received £6,250, the Citizens Advice Bureau and the Bridport Leisure Centre were awarded £4,000 each and the Bridport Museum received £3,200.

The rest of the grants were awarded to fund specific projects, with large donations for Chancery House, who received £750 for the purchase of a new tumble dryer, and the Axe Valley and West Dorset Ring and Ride, who received £700 to fund community transport costs.

Representatives from each of the 29 groups received their cheques from the Bridport Town Mayor, Councillor Dave Rickard, at a ceremony at Mountfield.

"On behalf of the town council, I was very pleased to present the grant cheques to the many groups and organisations that the council supports," he said.

"It was good to meet representatives of each of the organisations at

the presentation ceremony and it was very interesting to hear from them how the grants will be used.

"The town council continues to support the larger organisations - the arts centre, leisure centre, museum and Citizens Advice Bureau - and through the grants budget it is also able to assist smaller organisations with a wide variety of projects that benefit people in the town."

● Also receiving grants were: Bridport Youth Dance £300, Bridport Child Contact Centre £300, Moving On £250, Life Education Wessex £250, Millennium Advice and Information Centre £250, Bridport Hat Festival £250, Bridport Area Fifty Plus Forum £210, Disabled Carers and Friends Club £200, Bridport Pantomime Players £200, Bridport Lions Club £200, Bridport Barracudas £200, Respite and Recovery UK £200, 1st Bridport Scout Group £200, Bopper Bus Organisation £200, Bridport and West Dorset Music Club £200, Hughes Unit Supporters Group £200, Local Food Group £200, Team Dorset Athletics Network £200, Bridport Chamber Orchestra £200, Summerthing £200, New Elizabethan Singers £150 and BYPAT £150.

Council accused of losing interest in skate park

THE owner of Bridport's indoor skatepark 'The Trick Factory' has accused the town council of losing interest in the outdoor skatepark that opened ten years ago.

BMX enthusiast Rob Ridge said that in recent years he and fellow volunteers had spent their own time and money maintaining the facility with no acknowledgement for their efforts from the Bridport Town Council.

Mr Ridge had chosen not to speak out about the council's lack of enthusiasm until recently when a large hand-made bench was cut up and removed by the town council without permission.

In an open letter Mr Ridge said: "It is almost ten years to the day that the park was officially opened and I clearly recall many local council and community representatives all vying to be pictured in the local press, showing their apparent interest to this success story, in

much the same way they do whenever a new local project comes to fruition."

He added: "Well it seems the interest from all but the users has long gone but for the last several years myself and others have tried to keep the place maintained, most of the time using our own resources and materials."

The issues beyond our capabilities or remits such as the example of the poor quality tarmac that has been instrumental in producing a high yield of scar material on users has, despite many request over the years, seemingly been put to one side."

The latest issue, which saw a bench built by Mr Ridge and volunteers cut up and moved without permission, followed reports of anti-social behaviour at the outdoor park.

Mr Ridge contacted the town council at the beginning of the summer suggesting the large bench be

moved as it was attracting a crowd of people who were intimidating and bullying some skatepark users.

Three months later, after the anti-social behaviour had ceased to be an issue, Mr Ridge arrived at the skatepark to find the bench had been chainsawed in half.

"I was contacted by a couple of the local users to say there was sawdust everywhere causing people to slip on the ramps and our lovely long bench seemingly chain sawed in half with one half missing," he said.

"I contacted the town council about this which they responded saying they were acting on a request I made for them to move the item as it was attracting troublemakers. This is only a half-truth."

"This summer there was a period of time when there were reports of people sitting at the bench bullying and intimidating people."

"I passed this information back to the town council and suggested I/we may need to move the bench. That was an email exchange in early August. The issue with troublemakers at Plottingham, as in so many cases in the past, came and went."

"One half of the bench was then taken and sited at the play area at West Bay. I wonder, using the town council's recent logic, if they were told that troublemakers were massing at the play area at West Bay, or any other town council premises, whether they would chain saw the timber facilities

there and transport them to the skatepark area? I have now been informed that the other half of the bench lies in the town council compound at Plottingham cut up into small pieces."

"A lot of time, effort and money went into building the bench along with other structures at the Plottingham Skatepark in recent years. I can categorically say that not even so much as a 'thank you' has come back from those whose jobs it is to look after some of our interests within the town, those of a character that court the press over the smallest of matters they can take credit for."

"I will not be looking to collaborate with those I have lost confidence with."

"But I am talking with those who have a genuine interest in the skatepark and suggest they set up a new steering group."

"It has also been suggested that the town council be invoiced for the materials they have destroyed and those that have been supplied and used at the skatepark and that the money goes into a fund that pays for enhancement work there."

Bridport Town Clerk Bob Gillis has defended the actions of the town council, claiming they acted in response to reports of anti-social behaviour.

He also revealed that plans to improve the skatepark will feature in the new town plan.

"We have been very grateful for the support and work of the Trick Factory in estab-

lishing the skatepark and would hope to work with them again in the future," he said.

"I had a meeting with the Trick Factory regarding this story and explained that the bench was moved in response to reports of late night anti-social behaviour, caused not by users of the skatepark but by other people."

"The town council has responsibility for the skatepark including the bench. We will be looking at the options for seating at the skatepark and want to work with users of the park and the Trick Factory on future improvements."

South West properties to rent becoming more unaffordable

A RECENT study has shown that rents in 85 per cent of South West properties are unaffordable.

New research from housing and homelessness charity Shelter has revealed that only 15 per cent of properties in the South West are affordable in relation to residents' wages, with rents having increased at one and a half times the rate of income between 1997 and 2007.

In a sign that those priced out of home ownership are now struggling to meet the costs of renting, often considered the cheaper option, the Shelter Rent Watch shows that in 29 local authorities in the region, typical rents from private landlords were over a third of average take-home pay, the widely accepted measure of affordability.

The study revealed that in West Dorset the average four-bedroom property would swallow 69 per cent of a tenant's wage, with one-bedroom properties - the most affordable - still costing 32 per cent of the average wage.

Shelter is calling for the government to take urgent action to stabilise the rental market - which they say is "out of control" - and develop policies to bring rents more in line with average earnings.

Recent research by Shelter showed that 38 per cent of families with children who are renting privately have cut down on buying

food to pay their rent.

The figures, which provide a picture of rental affordability across the country for the first time, show that many rural areas are bearing the brunt of high rent rates and low incomes.

Campbell Robb, Chief Executive of Shelter, said: "With huge differences in affordability across the South West, there are now worrying signs that families are likely to be displaced by our out of control rental market."

"Over recent years we have seen more and more people forced into renting, as high house prices and a lack of social housing have made it the only option for thousands of ordinary families."

"What we're seeing now is that renting is no longer the easy, cheap alternative to home ownership."

"With rural areas suffering just as much as cities - or in many cases,

even less affordable - it's no longer enough to encourage people to move out of crowded urban areas."

"We have become depressingly familiar with first time buyers being priced out of the housing market, but the impact of unaffordable rents in the South West is more dramatic."

"With no cheaper alternative, ordinary people are forced to cut their spending on essentials like food and heating, or uproot and move away from jobs, schools and families."

"Government must urgently consider how private renting can become a secure, affordable option for families, and not a heavy financial burden that makes parents choose between buying food for their children and paying the rent."

"This should be the wake-up call needed to finally take action to address our renting crisis."

New tapestry will celebrate sport and leisure in Bridport

WORK has begun on a schools' tapestry that will celebrate sport and leisure in Bridport.

The tapestry is part of a project being run by the Bridport Heritage Forum, with backing from the Bridport Leisure Centre, and will be completed in 2012.

As well as celebrating sporting history and achievements in the town, with a nod to the 2012 Olympic Games, it will also celebrate Bridport's rich rope and net making heritage.

Year three and five pupils from St Mary's Primary School and year five and six pupils from Salway Ash Primary School will each design their own section of the tapestry on a

unique topic.

Once completed the tapestry will go on display at the Bridport Town Hall during the Spirit of Bridport Festival, as part of the 'Roping Everyone In' exhibition.

After the festival the tapestry will then be hung in the Bridport Leisure Centre to provide a lasting legacy for the town's rope and net industry.

Last week the school's spent their first session on the tapestry, learning how to get thread a needle and start work on their square.

■ **A STITCH IN TIME:** Pupils from Salway Ash Primary School begin work on the tapestry

A PHOTOGRAPHER from Bridport has achieved success in a national competition after capturing a misty morning view of Colmers Hill.

Bridport photographer Graham Wiffen is celebrating having been awarded 'Commended' in the 2011 Take A View Landscape Photographer of the Year competition. His image of Colmers Hill will now appear in this year's Take A View book, available from October 31st, and as part of an exhibition at the National Theatre in London.

"This is the first year I have entered," said Graham. "So I'm chuffed to bits to have got through."

Following his success Graham is increasingly busy,

actively seeking to raise the profile of the county with his photographic work.

Charlie Waite, one of Britain's best-loved landscape photographers and founder of Take a View, set up the Awards to provide an ongoing platform for capturing images that best symbolise our land and our times, which will stand as a record for the future.

There were many thousands of entries to the competition which is sponsored by Network Rail and supported by the Sunday Times magazine.

The Take A View exhibition will run at the National Theatre on London's South Bank from Monday, December 5th until Saturday, January 28th.

Project looks at baby boomers' future needs

THE findings of an Age Concern Bridport project, assessing the future needs of the baby boomer generation, will be the focus of a special presentation evening next month.

Over the past 12 months Age Concern Bridport and District at Chancery House have undertaken an extensive research project with "baby boomers" in West Dorset.

They have gathered information from a representative sample of more than 200 local people born before 1960 for the project 'Baby Boomers or Bust'.

Chancery House Trustee Board Member, Keith Day, said: "The 'baby boomer' generation is - and will - continue to present a range of new challenges to community services, especially compared to previous generations.

"Finding the best way to develop services in order to meet these challenges will require an understanding of the needs and aspirations of local people who are now aged 50 to 70."

Age Concern Bridport has completed the project report and would now like to share their research findings and outcomes with interested professionals and other parties.

If you work in, or provide services in this field, you are invited to

engage with the Chancery House team in the future development of their work.

Age Concern Bridport will be holding the 'Baby Boomers or Bust' presentation on Thursday, November 24th. If you feel this would be of interest to you, or your organisation, you are invited to attend.

The event will take place at Chancery House, Bridport, starting at 10:30am with tea and coffee.

The report, which will include details of the research, the results

and the analysis will commence at 11am. This will be followed by an opportunity to ask questions and contribute your own viewpoint, expertise and experience to the ensuing discussion. The session is expected to finish at 1pm.

Places at the event are strictly limited and available by invitation only.

For more information contact Barbara Vousden at Chancery House on 01308 459847 or email bridport424@btconnect.com before Friday, November 11th.

IN THE SWIM | Brewery Sales & Marketing Director Cleaves Palmer, Charles Dutton (chairman of the Frome, Piddle and West Dorset Fishing Association), John Palmer (chairman of Palmers Brewery) and Dr Dylan Bright (director of the Westcountry Rivers Trust)

Palmers' fish pass opens up river to rare species

A NEW fish pass at Palmers Brewery means, for the first time in hundreds of years, rare species are able to swim up the River Brit to spawn.

The lariner style fish pass creates a channel of water through which fish can swim, by-passing the weir and the hatches that have barred their progress up the river since the late 18th century.

The pass was officially opened in a short ceremony attended by the many organisations who worked together to make the project happen.

Charles Dutton, chairman of the Frome, Piddle and West Dorset Fishing Association, said the pass was finished ten weeks ahead of schedule.

by Tom Glover

"This is a great achievement and shows what organisations can do when everyone pulls together," he said.

The fish pass was provided in joint partnership between Palmers and several organisations, including the Westcountry Rivers Trust, Frome, Piddle & West Dorset Fisheries Association, Friends of Rivers and the Environment Agency.

The Westcountry Rivers Trust and the Fisheries Association raised funds from the Environment Agency and the National Association of Rivers Trusts.

Consultant Clive Thorp steered

the project through the complex planning process and Fishways Engineering of West Sussex designed the fish pass.

It's hoped that salmon will return to the headwaters of the River Brit and the Asker next year.

"It's a fantastic development and one that the brewery were really happy to support," said John Palmer, chairman of Palmers Brewery.

The 18th-century weir at the back of Palmers was originally used to create enough water for the brewery wheel, which was the building's main source of power until 1930 when mains electricity came to the town.

Today it is in working order though no longer used.

Halloween events planned for this weekend

A BIG breakfast and a Halloween party will bring residents in the Rivervale area together this weekend.

Both events will be held at the Scout Hut, near the junction of St Swithins Road and Armstrong Road, this Saturday (October 29th).

The Bridport Safer Neighbourhood Team, the newly former Residents Community group, the Homewatch group and local councillors will attend both events.

The community big breakfast will run from 9am to mid-day and will be offering visitors bacon sandwiches, local sausage and egg fry-ups, tea, coffee and more.

The Halloween disco and fancy dress party will run from

5:30pm to 8:30pm. Prizes will be awarded for the best fancy dress outfits for the under 11s and the 11 to 16-year-olds.

Prizes have been donated by Double Drive Computers, Waterstones, Frosts and other local Bridport businesses for the winners.

Tea, coffee and soft drinks along with a free buffet will be available to all children and adults attending thanks to donations to the event from Magna Housing group and Raglan Housing Association. Adults may bring a bottle.

It is hoped that both events will be a chance for residents to meet their neighbours and share any concerns they might have with the relevant people and groups.

Young swimmers make a splash

SUPER SWIMMERS | The Bridport Sharks celebrate their results

by Tom Glover

YOUNG swimmers tested their abilities at the annual Bigfish Swimming Gala at the Bridport Leisure Centre.

The gala is for swimmers enrolled in the Bigfish Swim School's main pool lessons and tests the youngsters with front crawl, back crawl and obstacle races.

A total of 41 swimmers took part from the Eggardon Seals, Colmers Swordfish, West Bay Dolphins and Bridport Sharks, cheered on by an enthusiastic audience of parents, grandparents and siblings.

Both the front and back crawl races produced some exciting finishes with less than a second separating gold and silver in many of the races.

The obstacle race also saw some tense finishes with every competitor managing to complete the task, despite some swimmers having to go back for a missed item.

All the swimmers then had a relaxing swim while the results were checked, certificates written and medals prepared.

Star performances came from Katie Pring, who won gold in all three races with the Eggardon Seals, Owen Griffiths, who got a gold, silver and bronze in his races with the Colmers Swordfish and Henry Wyrill, who got two gold medals and a silver in the West Bay Dolphins group.

In the Bridport Sharks group, both George Wyrill and Edward Seward claimed a gold, silver and bronze place.

Swimming co-ordinator, Penny Steventon, said: "Well done to all the swimmers and thank you to the following helpers, Nisa and Teresa Bel-lenie, Kirsty and Cameron Wills, Mr Richardson, Harry Seward, and Big-fish swimming teachers Virginia and Clare, also thanks to Maria for organising everything."

If you would like more details of Bridport Leisure Centre's Bigfish Swim School please contact Penny on 01308 427464 or email p.steven-ton@bridportleisure.com.

Powerstock pub makes it into Michelin Guide

EGG-CELLENT | Landlord Karl Bashford with one of his special scotch eggs

THE THREE HORSESHOES at Powerstock has been praised in the Michelin Guide, with a special mention for their Scotch eggs and burgers.

The Scotch egg is made with a quail's egg and served with a crispy pig's ear salad, and the Dorset veal and bone marrow burger comes with triple-cooked chips and salad.

The guide's entry reads: "It's simply all about food at the 'Shoes'. They make their own breads, ice creams, chutneys and pickles; try the wild boar Scotch egg or veal and bone marrow burger."

The Three Horseshoes - tenants of Palmers Brewery - also received a Gold award from Taste of the West on the same day that the 2012 edition of the Michelin Guide was published.

Landlord and chef Karl Bashford said: "I'm as chuffed as anything, chuffed to bits, we all are. I've

by Jenny Hall

never had such a big day".

His partner Susie added: "We've worked hard. But when you see the people coming back, and people really happy, and when you get amazing surprises like the Gold award, it's worth it."

The couple grow their own fruit, vegetables and herbs, and forage for things like wood sorrel and cobnuts.

The pub's menu changes slightly every day to make the best use of seasonal and local produce and bring out flavour.

Also in The Three Horseshoes' kitchen team are Dan Price from Powerstock, and Bridport trio Richard Ward, Tom Denning and Charlie Lawrence.

Students share their ideas at town council's Democracy Day

by Tom Glover

NEW cycle routes, men's clothes shops and incentives for businesses to fill vacant retail outlets, were suggestions proposed by students at the annual Bridport Town Council Democracy Day.

The fourth annual Democracy Day was held at Mountfield earlier this month.

Working alongside town councillors, year 10 students from the Sir John Colfox School took part in a number of activities to learn about how local government works in the Bridport area.

The students then presented their ideas for policies and discussed how they would go about

working with other agencies to raise funds to implement these policies.

Issues identified by the students included more facilities for young people, including mechanics clubs and extra skate park facilities, and more shopping options, particularly men's clothes and sports shops.

The issues raised will be considered by the Bridport Town Council, as part of its review of the Town Plan.

Head of PSE and Citizenship, Alison Winsborough, said: "The students had a really interesting and positive morning."

"They heard about the role councillors play in shaping local communities, the importance of democratic participation and the different levels and functions of local government in the area."

Town Clerk, Bob Gillis, added: "It was a really good morning and I know that all the councillors who attended really enjoyed the day and I am very grateful to the Sir John Colfox School for once again supporting this Democracy Day event."

First Litton Cheney apple day a big success

FUNDRAISING for the Thorners School Discovery Area began with the Big Green Apple Day this month.

The first apple day in Litton Cheney proved to be a resounding success with visitors of all ages enjoying live music, bobbing for apples and wearing their decorated wellington boots.

The event was raising money and community support for the discovery area, which will become an outdoor curricular learning base as well as a wildlife area for the school and wider community.

Support on the day came from local like-minded groups, such as Bridport TLC and the Scrap Store, and local artisans and experts from Treewise, the Symondsburry Apple Project, Dorset Forest Schools and West Bexington's Bodgers Barn, as well as Dave Levi from the Dorset County Council's recycling team.

Adults enjoyed mulled apple and listened to local musicians and buskers, while funny man and stilt walker, Johnny Hoskins, kept children entertained.

Children made quirky bird feeders with Peter Margerum and tried woodblock printing with Ruth Worsely, both artists who runs workshops in the discovery area, and took part in the best decorated Wellington boot and miniature garden contests.

Judges, Pat Bowditch, from Litton Cheney's Ourganics and local resident Chris Smith, said the entries were particularly hard to judge because the competition was so high.

Organiser Martin Bell said: "It was a won-

by Tom Glover

derful opportunity for the school to say thank you to all those from the community who have donated plants and items for the space.

"Thanks to everyone who supported the event with donations of raffle prizes, the visitors were so pleased with their winnings of such generosity, first prize being a champagne breakfast for two courtesy of the Hive Beach Café."

● If you would like to volunteer your time or donate materials to the discovery area then contact the school on 01308 482410. The Discovery Area team will be having a building day on Saturday, October 30th from 10:30am.

Local businesses sweep Taste of the West awards

GOLD, silver and bronze prizes have been bestowed upon a number of businesses in Bridport and the surrounding areas at the latest Taste of the West hospitality and retail awards.

Restaurants, pubs, tea rooms and retail outlets have all been recognised for their passion and dedication to exceptional service and locally sourced ingredients.

In the restaurant category it was the Riverside Restaurant at West Bay flying the flag for West Dorset, picking up another gold award.

There was more success for local businesses in the Dining Pub category with The New Inn, Stoke Abbott and The Three Horseshoes Inn, Powerstock, both claiming gold awards.

Judges heaped special praise on The New Inn, highlighting their "lovely, well written menu with a great range of interesting and unusual flavours".

The George Inn in Chideock, picked up a silver award and Shave Cross Inn won a bronze award in the same category.

GOLD STANDARD | Sladers Yard head chef Jackie Spendlow with her freshly baked Dorset apple cake

There were four gold Bridport winners in the café and tea room category, with Downhouse Farm Garden Café, Lula, Sladers Yard Café and the Green Yard Café all receiving the prestigious honour.

The Green Yard Café was praised by the judges for its menu, and meals that were "perfectly presented by people with incredibly high standards".

Elizabeth McNeice, of the Green Yard Café, said: "We are absolutely delighted to have won our fifth consecutive gold award. Every one works really hard at the Green Yard to make this possible, we don't have outstanding views or location, it is all down to great service, fantastic home made food and, of course, not forgetting our local suppliers who give us such quality ingredients."

Nikki Exton, owner of Downhouse Farm Garden Café, was equally delighted to receive another gold award.

"We are so pleased that we have been given the Taste of the West gold award for the third year running," she said.

"The award this year has been all the more important to us as we are still having problems getting our planning approval for the cafe. Thank you so much to all our loyal customers for all there support this season and we hope to see you all next year."

Cousins Lucy Norman and Angela Heywood, who have run Lula Restaurant since 2008, said they were delighted to build on last year's success, which saw Lula take Silver.

Chef Angela said: "Bridport is a great place to be working with food - we're really fortunate to have a great range of local producers who supply delicious ingredients for us to work with".

Sladers Yard were awarded were the other gold winners, picking up the top prize for the second year running.

Proprietor Anna Powell, said: "The gold award is a lovely reward for the hard work of all our cafe staff. It recognises the ideals of ethical food sourcing and the delicious food made by Jackie, Sharon and our new Italian chef, Chiara. Last year we were chuffed to bits to be

given a gold and it is brilliant to be gold again this year."

Washingpool Farm Shop were double winners at the awards, picking up bronze for the Farmers Kitchen and gold for their shop in the retail category. Felicity's Farm Shop in Morcombelake were the other winners after claiming a bronze award.

Taste of the West Chief Executive, John Sheaves, commented, "We are absolutely delighted with this year's awards results, not least because the judges have all told us that standards have definitely been raised this year."

"In particular, we are pleased with the number of new entrants who, in their first year, have gained awards, as well as those more established eateries who have consistently collected gold or silver awards every year."

"When you now look at the overall picture this is painting for our food and drink culture in the West Country and the contribu-

tion that this is making to the visitor experience, then we really have got something to be proud of here - well done to all the winners."

Full details of the gold, silver and bronze hospitality and retail award winners can be found on the Taste of the West website - www.tasteofthewest.co.uk.

The best in category awards will be announced at the prestigious Taste of the West Awards Ceremony on Tuesday, November 1st.

solar power

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

St Catherine's celebrates the religions of the world

WORLD religions are being celebrated all year at St Catherine's Primary School and the first to be studied was Islam, with a day of special events last week.

The school are aiming to study different religions throughout the year, as religious festivals coincide with the school term.

The first to be studied was Islam as the Muslim holiday of Eid ul-Fitr fell during the school holidays.

During the day of events, on Friday of last week, pupils baked star and moon biscuits, learnt Eid dances, designed prayer mats, created Zakat boxes and drew Mendhi patterns on their hands.

The next religion to be studied will be Hinduism with the Diwali festival taking place today (October 26th).

PICTURED: Pupils from St Catherine's Primary School with their designs from Islam day (top); traditions studied included Mendhi hand patterns and Zakat boxes (bottom)

BRIDPORT CAMERA CLUB REPORT

THIS month's Bridport Camera Club meeting took place last Wednesday (October 19th), *writes JOHANNA POYNTZ*.

After Garry thanked Margaret Jenkins for organising the recent field trip to Brownsea Island, at which 15 members attended, Andy White presented the evening's entertainment by showing the travelling exhibition of some 85 images which just missed out on the final selection of 150 for the Western Counties Photographic Federation annual competition.

With interaction from the audience encouraged, there were many conflicting opinions expressed - criticisms of some and appreciation of others - interspersed with the occasional witty banter, serious and valid observations throughout the relaxed and enjoyable evening.

In conclusion the audience whittled down the most favoured images to the two 'best' images of the black and white and the coloured print selections.

It was interesting to see the level to which presentation can have upon an image; the general consensus was plain white mounts benefit monochrome images, subtle-coloured mounts suit colour prints and if including any form of additional lines, either to the mount or on the photographic paper itself, subtlety is the key; additional effects can easily distract from the most important object - the image itself.

There will be a course of digital photography workshops run by the Vice Chair, Charles Hallsworth, coming up soon, run on the lines of solving problems or queries brought to the meeting, whether they be with photography, editing methods or technology. These are planned to begin November 9th.

Andy also suggested he run a question & answer session on a club evening on Wednesday, January 4th - to avoid any potential embarrassment for the person making the enquiry - he suggested questions be sent to members of the committee who can then filter each to the member most experienced in that field.

For anyone interested in seeing Dorchester Camera Club's 2011 exhibition, this is being held November 7th-19th at the Mulberry Gallery, Weymouth Library.

Weldmar Hospicecare Trust

Caring for Dorset

Weldmar Hospicecare launches its Garden Appeal

An Appeal has been launched by Weldmar Hospicecare Trust for a special garden area at Joseph Weld Hospice. The View From Newspapers are delighted to act as their Media Partners for the Appeal. **The Target for this appeal is £28,000.**

The Dorset-based construction and civil engineering firm Stepnell is also lending its support to this Appeal after recently completing a £450,000 project to extend and refurbish the John Greener Day Centre at Joseph Weld Hospice. The company, which has its local offices in Hamworthy, Poole, has donated £5,000 to the appeal to become the new garden's main sponsor.

Patients attending Joseph Weld Hospice for the day now have a lovely new centre - the "John Greener Garden Room" to enjoy - thanks to a grant from the government.

Weldmar also wanted to transform the outdoor space

around the centre into a patio garden where patients can relax, try out new ways of gardening (which they can use at home if they want) and enjoy creative gardening with others. They needed to put in accessible planters, shading, a good and safe hard surface and of course lots of beautiful plants.

In addition Weldmar want to be able to use plants and gardening material throughout the year so that patients can enjoy the therapeutic benefits of gardening whenever they come to the centre.

Please help to fund a glorious garden for Weldmar's patients

Could you help them by sponsoring one or more paviors or by making a donation to help create a Plant Fund for the plants needed now to beautify the garden and which will be needed in the future for gardening activities? In addition they need a sail shade so that patients can enjoy the patio garden in the summer protected from the sun.

Please support Weldmar by making a gift to their Garden Appeal by completing the form below.

To acknowledge support of this special appeal, the names of all those sponsoring each part of it will be on view adjacent to the garden.

A BIT OF A DO AND THE HAUNTED CINEMA

A Bit of a Do, personal event planners, have teamed up with the Plaza Cinema in Dorchester for a spooky night at The Haunted Cinema, on Saturday 29 October.

The night will offer spooks and chills that will culminate in the showing of the 1958 Hammer horror Dracula.

Fiona King explains: "It's a grown-up version of the ghost train. There will be lots of Halloween fun that will have you on the edge of your seats. We're hoping everyone will dress up and get into the spooky spirit."

This isn't the first event they've organised at the Cinema. Last year they ran a very successful fundraiser for Julia's House – a midnight viewing of Toy Story 3 where everyone dressed in pyjamas.

A Bit of a Do can also help you design and plan any occasion. They can give you inspirational ideas, creative solutions and practical advice with contacts to ensure your celebration is a success.

Victoria Letten explains: "Our past events have ranged from themed birthdays to weekend retreats and coach holidays. There have been Christmas staff parties, Halloween parties and murder mystery events."

Keep your toilets clean! There is no excuse!

A few simple and proactive steps can make all the difference when cleaning your toilet. Many people and organisations (in non customer areas) neglect their toilets - possibly because it is seen as low priority and an unpleasant job. However cleaning your toilets on a regular basis can make all the difference.

Using Cistern blocks which can be less than £1.00 for two can be very effective in cleansing toilet bowls providing they are replenished on a weekly basis, although you could possibly get away with every two or three weeks.

Using toilet cleaner around the toilet bowl just once a day and scrubbing with the toilet brush will also make a big difference if in combination with the use of cistern blocks. You could also use toilet bowl

cleaner in urinals like described above as well.

Another important thing to remember is to clean your toilet brush also. If you do not then it will soon become dirty and contaminated with germs, it will also collect dirty water which may well smell after time.

Sinks, mirrors, and, tiles, should not be neglected also. You don't necessarily need to do this every day but make sure that it is done enough to keep it consistently looking presentable for the people who may use your toilets. Remember if a important customer or visitor to your house or business was to see your toilet it would reflect you as an individual or business and could be to your detriment.

Spring bulbs now in stock!

The Potting Shed Garden & Wild Bird Care Shop in Hardy Arcade, Dorchester was born out of buying an old garden shop called The Conservatory almost five years ago.

The joint owner, Shaun Samways, has previously spent the last twenty five years working and managing garden centres around the South West of England and in Southern Ireland and was really keen to bring gardening back to the high street. There are vast numbers of people who just can't get to out-of-town garden centres but would still like access to the products they sell.

A combination of good customer service and a large range of useful, everyday gardening products along with some unusual and interesting products too provides a good gardening outlet for local people. The owners

twenty five years experience is not going to be wasted either with plenty of friendly, free helpful knowledge on hand as well.

The business is split into two halves, one being gardening and the other being Wild Bird Care. The owners' life long passion for wild birds started many years ago when feeding wild birds wasn't particularly fashionable. Last year the good people of Dorchester bought over 34,000 kilos of wild bird and over 4500 bird feeders of all shapes and sizes from The Potting Shed, which just goes to prove that a life long passion can bear fruit with perseverance. The Potting Shed offers lots of gift ideas for the gardener and wild bird lover.

Top pianist to give recital at Norburton Hall

INTERNATIONALLY acclaimed pianist **Sophia Rahman** will be giving a piano recital on Monday, October 31st at Norburton Hall, Bridport at 7.30pm. Sophia studied at the Yehudi Menuhin School and the Royal Academy of Music in London. As part of her busy concert schedule, she is a regular performer at the Burton Bradstock Festival which has included sell-out concerts at Norburton Hall for the past three years.

During last year's festival, Sophia was inspired to work with Karen Venn at Norburton Hall to run a residential course for piano and string players and the first one was set up in November last year. Sophia says; 'Following the success of last year's inaugural course, I'm delighted once again to be able to offer the opportunity for musical discovery to players of any level in such an inspiring setting and to be working with such an outstanding cast of guest-artists.'

The piano recital on Monday 31st will be the first event of the week open to the public and includes Beethoven Trio Op. 38 in Eb for piano, violin and cello; Zhubanova Prelude no. 1 for solo piano and Mendelssohn Trio Op. 49 in D minor for piano, violin and cello with guest-appearances by the distinguished Estonian violinist Andres Kaljuste and renowned cellist Daisy Vatalaro.

Tickets are £12 for the piano recital to include a glass of wine or a soft drink. The recital will start at 7.30pm and will finish around 9.15pm with one interval during the programme.

There will also be two informal concerts during the same week. On Wednesday, November 2nd, the Mercury Prize winning jazz pianist, **Zoe Rahman** will play from 6pm until 7pm with previews from her forthcoming album 'Kindred Spirits' which is due to be launched in January, and familiar jazz tunes from some of her favourite musicians such as Duke Ellington, Herbie Hancock and Bud Powell. Then on Friday, November 4th Sophia Rahman will be joined by exciting young violinist **Rosalind Ventris**, with a programme including works by Milhaud and Bridge as a preview of their appearance in the Purcell Room, London on November 10th.

All tickets are bookable in advance. Tickets will only be available on the door if any remain unsold. To book tickets for the recital or for details of the informal concerts, e-mail info@norburtonhall.com or phone 01308 897007 between 9am and 6pm.

Weymouth Pavilion unveils exciting new season

SPECTACULAR shows will be coming to Weymouth.

An exciting new season of autumn and winter entertainment has been unveiled at Weymouth Pavilion. Highlights will include the internationally renowned Moscow Ballet's performance of 'Sleeping Beauty'; acclaimed 70's pop group Rose Royce and family favourites like Bob the Builder.

The programme will also feature Circus of Horrors' new show 'The Ventriloquist' as well as performances from the London Community Gospel Choir.

The new season was welcomed by Councillor Andy Blackwood, Culture, Tourism and Community Facilities Brief Holder at Weymouth and Portland Borough Council. He said: "It is fantastic that so many great acts will be coming to Weymouth. It is such a varied programme, there is something for everyone."

"It is great that the pavilion has been able to attract so many first rate performers. This reflects our efforts to try out new ideas and welcome customers who have perhaps not been to the pavilion before."

Weymouth Pavilion has recently launched a new website, which allows customers to print out tickets at home.

Max Grayson, Weymouth Pavilion Manager, said: "I am very excited that we have managed to put together such a great new season of shows. It really puts Weymouth on the map. People should check it out without delay, as many of our recent events like the Beer Festival and the 'Sensational 60s Experience' were a sell out."

"It is a testament to the reputation of the theatre in the industry that we can put together such a diverse collection of top quality shows. We also have events in our function rooms, which are also helping to make the pavilion the entertainment hub of the area."

Excitement is also building at Weymouth Pavilion, as rehearsals for the Christmas Pantomime 'Snow White and the Seven Dwarfs' get underway. The pantomime will feature local actress Charlotte Anne Steen performing in her first professional pantomime alongside Lee Latchford-Evans from the newly reformed pop group Steps.

Weymouth Pavilion is a service provided by Weymouth and Portland Borough Council and the new website is available at: www.weymouthpavilion.com or call the Box Office on 01305 783225.

Fourth exhibition for successful photography students

GILL ELLIOTT'S student groups have again had a very successful year and their fourth exhibition is due to run from October 31st to November 11th at Kennaway House, Coburg Road, Sidmouth. EX10 8NG. Opening hours will be 10a.m.- 4.30p.m. Monday to Friday. It is hoped that the exhibition will tour to Exeter, Taunton and Bridport where additional classes are to be held from the first week of November. New classes are also arranged for Honiton and at Kennaway House itself.

Students have followed the style of photography that they individually prefer and have produced highly distinctive images both compositionally and technically. The exhibition is exciting and stimulating and would act as encouragement to anyone thinking that they would like to begin taking better images or, if more advanced, begin to work towards a recognised qualification.

Each person has successfully developed their ability to evaluate and improve their way of relating visually to the world around them. Each has begun by learning how to control the relevant functions on their cameras and then how to apply those to the particular area they wish to work in e.g. portrait, landscape, architecture and close-up. Their work is individually critiqued on a weekly basis and so the improvement is quite marked and rapid. Examining and evaluating each other's work as well as looking at the work of internationally renowned photographers is one aspect of classes that many say they enjoy the most as well as practical location sessions.

From humble beginnings some students have chosen to work towards producing a panel of images for submission to the Royal Photographic Society in order to obtain a distinction award. It has been a successful pathway for Michael Shaw LRPS, Sarah Davies LRPS, Susan Kendrick LRPS and Pamela Stirling LRPS all of whom gained their Licentiate status and we offer them our real congratulations.

Classes are always conducted in an informal and supportive atmosphere with emphasis on each student's growing confidence and personal development. If you would like any further information please contact Gill on 07895 113 945 or gillrevision@gmail.com

Poetry for Pleasure

by Frank McGarry

*"From ghoulies and ghosties, long-leggety beasties
and things that go bump in the night, Good Lord,
deliver us."*

Anon

ALL HALLOWS EVE is almost here again. It is always a big event in the USA and the pumpkin plays a major part in the fun. Carl Sandberg, the American poet and children's writer explains.

THEME IN YELLOW

*I spot the hills
With yellow balls in autumn.
I light the prairie cornfields
Orange and tawny gold clusters
And I am called pumpkins.
On the last of October
When dusk is fallen
Children join hands
And circle round me
Singing ghost songs
And love to the harvest moon;
I am a jack-o'-lantern
With terrible teeth
And the children know
I am fooling.*

Historians tell us Halloween was originally a pagan Gaelic festival with Jack-o-Lanterns carved out of turnips not pumpkins. It had almost died out in Europe but has been re-imported from the USA. As 'Elf & Safety' has virtually destroyed the traditional Bonfire Night of my childhood, the US-style Halloween has taken over and has become big business. Instead of children wanting "a penny for the Guy" we have "trick or treat". Hal-

loween is also about witches –or hags on broomsticks – as England's Elizabethan preacher-poet, Robert Herrick tells us in this poem.

THE HAG

*The Hag is astride,
This night for to ride;
The Devil and shee together:
Through thick, and through thin,
Now out, and then in,
Though ne'er so foule be the weather.*

A Thorn or a Burr

*She takes for a Spurre:
With a lash of a Bramble she rides now,
Through Brakes and through Bryars,
O're Ditches, and Mires,
She follows the Spirit that guides now.*

*No Beast, for his food,
Dares now range the wood;
But hush! in his lair he lies lurking:
While mischiefs, by these,
On Land and on Seas,*

*At noone of Night are working,
The storm will arise,
And trouble the skies;
This night, and more for the wonder,
The ghost from the Tomb
Affrighted shall come,
Cal'd out by the clap of the Thunder.*

Coming slightly more up to date we have this verse from the Salford-born, Winifred M. Letts (1882-1972), who lived for most of her life in Dublin County.

HALLOW-E'EN, 1914

*"Why do you wait at your door, woman,
Alone in the night?"
"I am waiting for one who will come, stranger,
To show him a light.
He will see me afar on the road
And be glad at the sight."*

*"Have you no fear in your heart, woman,
To stand there alone?
There is comfort for you and kindly content
Beside the hearthstone."
But she answered, "No rest can I have
Till I welcome my own."*

*"Is it far he must travel to-night,
This man of your heart?"
"Strange lands that I know not and pitiless seas
Have kept us apart,
And he travels this night to his home
Without guide, without chart."*

*"And has he companions to cheer him?"
"Aye, many," she said.*

*"The candles are lighted, the hearthstones are
swept,
The fires glow red.
We shall welcome them out of the night—
Our home-coming dead."*

Burton Bradstock Players to 'Keep the Home Fires Burning' with extra show

BURTON Bradstock Players are putting on an extra show this year! Janet Tolputt is co-ordinating a charity production with a wartime theme in November – to coincide with Remembrance Day and the Poppy Appeal. "Keep the Home Fires Burning" will consist of a one-act play in the first half of the evening and a chorus singing war-time songs that everyone can join in with in the second half.

The short play is set in France at the time of the Liberation in the Second World War. In the interval, a ploughman's supper will be served. A donation from monies raised will be given to Help for Heroes. The local branch of the British Legion have been rallied to help with refreshments and The Players hope everyone will support this production to make it a bumper charity fundraiser!

The show is to take place at 7.30 pm on Thursday, November 17th, Friday 18th and Saturday 19th in Burton Bradstock Village Hall. Ticket prices are £9 for adults and £6 for children, to include the ploughman's supper. The Box Office is now open at Burton Bradstock Post Office, or you can telephone 01308 898041 or 07917388880.

Special night of music and film at the Electric Palace

THURSDAY night film and music double bill with Pod Films and Cornish band Wurlitza performing a live soundtrack to A.E. Dupont's Piccadilly

The evening will be a feast of entertainment for both film and music lovers alike.

Pod Films – small perfectly formed movies – will present a selection of recent short films directed by Dave Young including Harris Tweed in the Outer Hebrides, shanty singers in Cornwall and the Planters Club in India...plus a few local characters.....

Wurlitza will then perform what promises to be a treat for all ages; a live music soundtrack to A.E. Dupont's silent film Piccadilly, a sumptuous tale of love, jealousy and dancing. Piccadilly is set in the clublands of 1920's London, and simmers with social, racial and sexual tension. A beautiful Chinese dancer, Shosho, is discovered in the scullery by a Soho nightclub owner, Valentine, and showcased as the new novelty act for his business, much to the chagrin of Valentine's girlfriend Mabel and Shosho's Jim.

Cornwall based Wurlitza have been gathering critical acclaim for their live soundtracks over the last few years, and promise an experience like one you have never had before. With a soundtrack ranging from numbers by the Cure, Lou Reed, classical piano, Spanish guitar duets, four part harmonies and jazz standards and all performed completely live, there really is something to

entertain everyone.

The Film and Music Night with Wurlitza and Pod Films takes place next Thursday, November 3rd at Bridport's Electric Palace. Doors open 7.30pm and the show starts at 8pm. Tickets cost £5 in advance from the box office (telephone 01308 424901) and £7 on the door.

Tickets are £10 and are available from Dorchester Plaza Cinema and the Old Ship Inn, Dorchester.

The dress code is scary or vampy and the evening is for over 18s only. Doors open at 11 pm. For more details visit abitofado.moonfruit.com or facebook.com/abitofado.

Spirit of the Drum

DISPLAYING breathtaking choreography, boundless energy and pounding rhythms; combining graceful moves and melodies with power, vigour and unstoppable joy; Bridport Arts Centre welcome Kagamusha Taiko on Saturday, October 29th.

Taiko, originally from Japan, is a highly-choreographed, theatrical style of drumming, it has much in common with dance and martial arts. However, if you've seen traditional Japanese taiko groups you may be surprised to see Kagamusha Taiko play in their own western-influenced style. It's their sheer energy that audiences find irresistible.

Jonathan Kirby, Kagamusha Taiko's Artistic direc-

tor says "Taiko comes from the player, not from a foreign country. When we perform, you'll see us express ourselves enthusiastically and with complete integrity. We enjoy ourselves hugely, and we hope you'll enjoy our taiko too."

"Kagemusha Taiko are awesome. Entertaining and impressively skilled drummers in tune with each other, a phenomenal experience" - Katy Star-Stocker, Bridport Arts Centre Exhibitions Assistant.

Tickets for the performance cost £10/£9 members/£8 concessions, and are available from bridport Arts Centre's box office, open Tuesday to Saturday, 10am-4pm, telephone 01308 424204.

Cash Converted to play the best of the Man In Black in Bridport

CASH Converted the south's premier Johnny Cash tribute band are playing at The Beach & Barnicott this Friday (October 28th) from 9.30pm.

Mark Carter-Cash has given up his job on the railway and taken over the baton to deliver that unique vocal and guitar style loved by country music fans everywhere. With Paul on lead, Tom on double bass, Toni Viagra on the drums and introducing the lovely June Carter on vocals and autoharp they produce a driving sound covering the rockabilly years of the 50's right through to the melodic, soulful tunes of recent years.

THIS WEEK'S
NEW RELEASESTHE HELP ^{12A}

Set in Mississippi during the 1960s, Skeeter (Emma Stone) is a southern society girl who returns from college determined to become a writer, but turns her friends' lives -- and a Mississippi town -- upside down when she decides to interview the black women who have spent their lives taking care of prominent southern families. Aibileen (Viola Davis), Skeeter's best friend's housekeeper, is the first to open up -- to the dismay of her friends in the tight-knit black community. Despite Skeeter's life-long friendships hanging in the balance, she and Aibileen continue their collaboration and soon more women come forward to tell their stories -- and as it turns out, they have a lot to say. Along the way, unlikely friendships are forged and a new sisterhood emerges, but not before everyone in town has a thing or two to say themselves when they become unwittingly -- and unwillingly -- caught up in the changing times.

But someone else is in search of the ship. Other voices by Daniel Craig, Simon Pegg and Nick Frost.

When a young woman, Hannah (Lily Loveless), is cruelly and indiscriminately attacked by a notorious gang led by the violent Trey (Ashley Walters), her little 16 year old sister Kayla (Aimee Kelly) wants revenge and will stop at nothing to get it, even if it means joining a rival girl gang led by the volatile and damaged man-hating Danielle (Emma Hartley-Miller).

Former Colfox pupil returns to
Bridport for dance workshops

THIS Thursday (October 27th) Bridport Youth Dance will be running two dance workshops for keen dancers. The first is specifically for boys aged 8 - 13 years. The workshop *Breaking Moves* will be led by former Sir John Colfox school pupil, dancer and choreographer Brendon Hansford. Having trained as a dancer at places such as the Laban Centre, London and Broadway dance studios New York, Brendon has a wealth of experience in street dance as a teacher, performer and choreographer and is founder/director of the successful hip hop company Alter Ego Dance. Brendon will be returning to his hometown to teach the boys class at 10.30am to 12noon at Bridport Arts Centre and will teach an open class for intermediate dancers in the afternoon. The second workshop will be from 1pm to 4pm and will focus on street dance and choreography. This session will be for dancers with substantial dance experience who are aged between 14 and 21 years.

The cost for the boys workshop is £6 (there will be some subsidised places for members of Bridport Boys Dance thanks to support from Departure Arts). The cost for the intermediate class is £12. To book your place or for more details please call Bridport Youth Dance co-ordinator Nikki Northover on 07765971357 or e-mail at bridportyouthdance@yahoo.co.uk.

LISTEN TO THIS!

ENCORE Theatre has decided to offer a different kind of entertainment as a one-off, prior to their major production next Spring.

A feast of sketches and monologues for the audience to enjoy in a convivial atmosphere of wine and nibbles, this comic and occasionally thought-provoking collection by Michael Frayn will be portrayed by a host of familiar faces, including John Surry, Hilary Bosworth, Jenny Wiles, Steve Scorey, Louisa Hardy, Andrea Thomas, Keith Himsworth, Miles Bell, John Duff, Ellen Denning, John Pownall, Murdoch MacTaggart, Sandra Brown, John Haylock, Viv Ironside, Sue Arthur and Barry Irvine.

During the evening's not-to-be-missed entertainment, Miles Bell will be whisking us away to Fandangia in "Head to Head"; Jenny Wiles will be baring her soul at "Confessions"; John Duff within spitting distance of "A Pleasure Shared"; Steve Scorey in the psychiatrist's chair in "Blots"; and Viv Ironside giving us "Value for Money"

The production is jointly directed by Miles Bell, John Haylock, Viv Ironside and Barry Irvine, at the Bridport Arts Centre on November 9th, 10th and 11th, with performances at 7.30 pm.

Tickets are available from the Box Office on 01308 424204 £10 to include a glass of wine or a soft drink.

Frolic hosting Halloween
Spooktacular at the Lyric

NEW Bridport Chart Free DJ Collective 'Frolic', featuring Dr Funk, Special KK and DJ Crumpet, will be putting on a 'ghoulishly groovy' Halloween Spooktacular at The Lyric to raise funds for this gorgeous addition to Bridports Arts Culture.

Witches, ghouls and vampires are welcome but we feel there are much scarier characters to take your inspiration from to make this a truly horrible night such as Celebrafreaks, Media Moguls, Botox Victims, Arms Dealers, Dictators, Politicians and Bankers!

So dress to unimpress and get yourself a £6.00 advance ticket from The Lyric, Instant Redress and Bridport Music.

'Frankensime: The Night of the Deadly Living!' takes place at Bridport's Lyric Theatre on Saturday (October 29th). Doors open 8.30pm, and the bar will be open until 12.30am.

Come and dance your heads off!

Heron return to the
Lyric to help with
fundraising efforts

HERON are back to do an impromptu gig this Thursday (October 27th) in support of the Theatre's fundraising campaign.

'We played a gig here back in May to celebrate the official opening of the Lyric and we were so inspired by the warmth and attentiveness of the Bridport audience that we have decided to come back, perform at the Lyric and to record our new album 'Joker Man' in Bridport. The place is like a magnet to us' says one of the band's songwriters, G.T.Moore.

The new album is a tribute to Bob Dylan and the impromptu gig promises to be a real treat for anyone who enjoys electro-folk music and a chance for Heron fans to see them perform again with their original line-up.

All proceeds from night will go towards the fundraising campaign.

Tickets are £8 from Bridport Music and The Bookshop (South St, Bridport), Fruits of the Earth (Victoria Grove, Bridport) The Lyric Theatre. Call 01308 423951, e-mail tickets@the-lyric.com or pop into The Lyric, 9 Barrack St, Bridport, DT6 3LX.

We're open 10am - 6pm Mon, Tues, Thurs and Fri. 12pm - 6pm Wed.

Obey The Wind

Curtain Raisers by Bridport Boys Dance and Bridport Youth Dance

WEYMOUTH based choreographer Natasha Player is bringing contemporary dance, digital art visuals, poetry and live music to Bridport for multicultural performance Obey the Wind.

The mixed media show explores what it means to be brought up between cultures and promises to be

a cultural feast. Choreographed by Natasha and Denise Rowe with digital art from Ben Trill and poet Louisa Adoje Parker. There will also be a original music score performed by live musicians Cheikh Doip and Tony Gordon.

Natasha grew up in Dorset with a South African mother spending a lot of her childhood in Tanzania. She uses dance to convey her own personal experience of growing up between cultures stating:

"My childhood was split between Africa and Britain, I travelled extensively in Asia and the far east, I have now returned to the South West to be near my family, if you don't feel at home anywhere sometimes your deepest roots are with your family".

The evening also provides an opportunity to support local talent as the show will open with performances from Bridport Boys Dance and Bridport Youth Dance. It will be the first public performance from the Bridport Boys Dance Group, choreographed by Anna Golding. Bridport Youth Dance will be offering a taster of their performance Tapistory which is a work in progress.

Tickets are available from Bridport Arts centre box office and cost £10 Adult/£9 Child/£7 Concession.

Swinging start for new Ceilidh Club

IT WAS a case of 'tops down, bottoms up and middles turning the corner' several times over at the British Legion Hall in Bridport on Thursday, October 20th, at the inaugural session of the new "Three Days Late" Ceilidh Club. A good time seemed to had by all as dancers with a range of experience got stuck into the intricacies of various well known folk dances such as the Circle Waltz, Alabama Reel, Nottingham Swing, Staffordshire Knot, Snowball and Sybil's Roundabout (not to mention Bottoms Up!).

In the course of this, instruction was given on the best holds for such moves as ceilidh swings and arm turns - what is and how do you balance an Alamo Ring? - plus the options for dancing step-hops to a horn-pipe rhythm without wearing yourself out.

Organisers Mecki Testroet and Monty Crook were pleased with the turnout for the initial session and hope to see even more at the next evening. Mecki commented "The general level of 'buzz' in the hall and chatter during the breaks showed how much fun people can get from ceilidh dancing, whatever their level of expertise, and that's what it's all about. We - and our participants - survived our first dance-calling ordeal pretty well and if we can build on this to grow the numbers to about 25-30 - the realistic capacity for the hall - it'll be absolutely great. Remember, all are welcome, beginners and experienced alike, you don't need a partner, all dances are fully explained and it's a good way to help keep fit and meet people".

The 'Three Days Late' Ceilidh Club - meets alternate Thursdays; the next club night is on October 27th, doors open 7.30 for about 7.45 start, at the British Legion Hall, Victoria Grove, Bridport DT6 3AD. Contact Mecki or Monty on 01308 424342 or by email: monty3dayslate@yahoo.co.uk.

WOW that's a Hot Mikado!

WOW Youth Musical Theatre are set for a series of special performances of 'Hot Mikado' at Weymouth Pavilion Theatre.

Set in 1940, the production of Hot Mikado remains true to the original material using Gilbert and Sullivan's lyrics and music for The Mikado, but updates the style to pay homage to early 1940s jazz legends

The story begins in the town of Titpu in Japan, where Japanese nobles meet a wandering minstrel Nanki-Poo, played by Adrian Bevan. He tells of his love for Yum Yum (Charlie Challis) whom he first saw as he was playing in the Titpu town band. Yum Yum was engaged to Ko-Ko (Greg Ryall) a cut price tailor, but he has been sentenced to death for flirting, so Nanki-Poo returns to find his beloved Yum-Yum and marry her.

Numerous crisis follow, involving the bloodthirsty ruler of Japan, The Mikado (George Lyons) the created job of Lord High Executioner and Katisha (Fern Pritchard) an aristocratic older lady who was engaged to Nanki-Poo, but in true theatre tradi-

tion, Nanki-Poo and Yum-Yum eventually get married and everyone lives happily ever after.

Well-known songs including 'Wand'ring Minstrel', 'Three Little Maids From School' and 'Tit-Willow' will delight and amuse the audience with their jazzed up style.

Director and choreographer is Scott St Martyn and musical director and conductor to the live orchestra is Heather Reed.

WOW Youth Musical Theatre perform 'Hot Mikado' at Weymouth Pavilion Theatre from Wednesday, November 2nd until Saturday, November 5th. Performances Wednesday to Friday at 7.30pm, and Saturday at 2.30pm (matinee) and 8.00pm.

Tickets cost £13.50 (Senior citizens and under 18's £10.50 on Thursday evening and Saturday matinee only), and are available from the Pavilion box office (01305) 783225 or www.weymouthpavilion.co.uk purchase-tickets-online.co.uk

The Penguin Café

THE PENGUIN CAFÉ ANTQUES & COLLECTABLES

As avid collectors, or is it hoarders, and with a growing love and interest in Antiques and Collectables there was only one logical move to make. With a stand for our Jams & Chutneys at The Alleyways at 52 St Michaels Trading Estate in Bridport, Dorset we decided to join the merry throng of 20 traders and open a unit selling antiques & collectables in 2009. Since then we have grown from sharing a unit to a double one selling anything from art to antique furniture, old fire surrounds to vintage and antique brasses, classic old pine cottage furniture to antique tables, chairs, wardrobes, chest of drawers, and much, much more.

We cater for all tastes and all budgets, whether you want something for the home, to increase your collection of object d'art, or a gift for a friend or loved one you're bound to find something to suit your taste and pocket.

Come in and see us any day of the week or visit our web site at www.penguincafe.co.uk where we'll soon be displaying many of our items and if you can't visit us in person purchase on line and pay by paypal or send an email to the.penguin.cafe@googlegmail.com for more information and a soon to be published catalogue.

THE PENGUIN CAFE JAMS AND CHUTNEYS

It all started with a pot of jam in 2007!

Having made jams and chutneys with some of our own home grown produce to recipes old and new (plus some created by ourselves) for friends and family we were told we should take the next step and make some to sell.

Being quirky and loving penguins we decided, for fun, to label the products under the name of The Penguin Café Jams & Chutneys and so the name stood on.

When the antique centre opened in Bridport on the St Michaels Trading Estate the then owner, Bob Curtis, invited us to have a stand and we've been selling Jams, Chutneys, Relishes and Pickles ever since: if you haven't tasted our Chilli Drizzle with your meal, or even on toast for breakfast, you haven't lived.

You'll find our stand at The Alleyways, 52 St Michaels Trading Estate in Bridport Dorset or visit our web site at www.penguincafe.co.uk where we'll soon be giving you more details on our products, recipe suggestions and much more, failing that just drop us an email to the.penguin.cafe@googlegmail.com for more information, they're finlicking good!!!

The Alleyways

ON THE 1st of August 2011 Richard Payne-Withers purchased Les Allées at number 52 on the St Michaels Trading Estate which housed 20 traders selling antiques, vintage, collectables and bric-a-brac.

Still keeping the French name it has just been preceded it with The Alleyways and Richard started to expand straight away. Many of you have visited us over the years and those who have been in the last few months have seen the changes taking place. We now have 30 traders under one roof with antique s, vintage and retro traders with a dedicated area to vintage clothing, a soon to be opened art gallery in the Art & Antique Studio, French, European and American furniture and collectables, specialists in resorted antique pine furniture, beautiful painted and shabby-chic furniture, retro items from the 50s, 60s & 70s, a G-Plan specialist, bespoke pic-

ture framing including Gesso & painted frames, a range of postcard, mirrors old & new large & small, cigarette cards, vintage railway & car memorabilia, even Betty Boop is here.

You'll find kitchen furniture and accessories from virtually every period in time, armoires and furniture from French Chateaus and farm houses, American number plates, bric-a-brac of all description, cutlery from a complete services to an antique Dorchester silver spoon, pots, pans, jars from the 18th century, beautifully restored chairs from as far back as the 1700s, LPs & singles from the 50's through to the 80s, even 78s form the 2nd WW, glass, china, pottery and metal ware, and not to forget, antique furniture from the last four centuries.

Whatever you want, whatever the weather our 30 traders are here under one roof to help and to serve, we even have a wanted board for anything you can't find and we'll let you know when we've found it.

We are just one part of a thriving Art, Antique & Vintage Quarter with many shops and art studios plus the excellent Red Brick Café. Come and browse, whether you have an hour or four to spare you'll not be disappointed, just ask any of the thousands of people who visit the area every week, and come back time and time again. Once you've been you'll not only come back, you'll fall in love with the whole atmosphere and tell all your friends.

Come and experience Bridport's Vintage Market held on the last Sunday of every month from March to October, this Sunday is our last one for this year so don't miss it. You'll find loads of stalls plus all the regular traders and an experience you'll never forget - see the You Tube videos to get an idea of what you've been missing.

If you truly love the Bridport experience and especially the Art and Antique Quarter please try and save us from the developers who want to take away this cultural experience and the livelihoods of hundreds of local Bridport people. If you're on Facebook go to "Save Bridport's Art & Vintage Quarter", join up and show your support. Plans for redeveloping the site go to the planners in the next few days and unless you want to see this quarter disappear forever and

another housing development being built in the town centre please voice your opinion either by letter, email or on Facebook. Better still sign up for a news letter at www.bridportantiques.co.uk and we'll keep you informed as to what is happening and what you can do to help.

We don't want to lose Bridport's Art & Vintage Quarter, do you?

Don't forget to visit us at The Alleyways Antique Centre at 52 St Michaels Trading Estate in Bridport, Dorset or go to our website which is full of information and more details of our traders, and don't forget sign up for our news letter. In the next few months we'll be launching an ebay shop a Twitter & Facebook address, even our own blog!

Hopefully we'll see you soon for an experience you'll love time and time again.

The Lost Room

YES - THE LOST ROOM is back - a bit smaller now, but still stacked full of vintage novelty items, at very fantastic prices. We have plenty of groovy vintage clothing, including original 70s maxi dresses, and terrible 80s jumpers, lots of small retro items, and weird framed prints.

You'll also find 1970s fantastic plastic, 60s psychedelic ceramics, and brightly coloured glass, plus Fifties duck egg blue and pastel painted furniture.

You may remember some of our stuff from your childhood!

The atmosphere in the huge, old Top Gear building at St. Michael's Trading Estate, is really relaxed and friendly. It houses over 30 different traders, and is now called The Alleyways (as it is charmingly maze-like!). Everyone is welcome to browse - don't be scared - come and have a trip down Memory Lane or just up the Alley!

Ruby in the Dust

RUBY IN the Dust has an eclectic mix of styles and periods which we put together to show how an oriental cupboard will sit happily with a Georgian table, 50's kitchenalia looks at home on a Victorian pine dresser and how a 60's table lamp will look fab sitting on a country oak sideboard.

William Morris's golden rule that will fit everything is to "Have nothing in your houses that you do not know to be useful or believe to be beautiful". This golden rule is our inspiration to source beautiful and useful furniture, accessories and soft furnishings for your home.

Nothing to wear? At Ruby we have an ever changing stock of 'New to You' and retro clothing which is an extension to Sally's long established and popular South Street Market.

Crawford's Classic Cars

IF YOU are the owner of a cherished old car you might find my business useful at some time; I run "Crawford's Classic Car Care" from St. Michael's Industrial Estate, Bridport. My workshop takes in elderly cars which may need anything from a routine service or helping through the MoT, to complete re-commissioning after a long layup - you can view online many of the projects I have completed since I opened in 2006, at classic-car-care.co.uk.

I have driven classics since the Sixties and I take pride in restoring the pleasure and confidence which a well-adjusted old car can give its owner.

Although neither an artist nor antiques dealer, I'm happily located in Bridport's flourishing "Vintage and Artistic Quarter" where the coming and going of old cars just adds to the atmosphere. I'm not always there during the working week; if you would like to discuss a possible job, it's safest to contact me first either by phone on 01308 424244, or by email: crawford@classic-car-care.co.uk.

Palace to screen Don Giovanni

Stompin' Dave brings Appalachian Roots to the Electric Palace

THE Electric Palace in Bridport will be screening the MET Opera's fantastic production of Don Giovanni on Monday, October 31st.

Mariusz Kwiecien brings his youthful and sensual interpretation of Mozart's timeless anti-hero to the Met for the first time, under the direction of Tony Award-winning director Michael Grandage and with Fabio Luisi conducting. A troupe of refined Mozartians appears in this new production, including Marina Rebeka, Barbara Frittoli, Isabel Leonard, Matthew Polenzani, Ramón Vargas, and John Relyea. Gerald Finley steps into the title role later in the season, and Andrew Davis also conducts.

Doors open at 5.30pm and the screening starts at 6pm. Tickets are £14.50 each, £12.50 for Electric Palace Members and £10 for children and are available from Bridport Tourist Information on 01308 424901.

Mariusz Kwiecien as Don Giovanni

STOMPIN'DAVE brings another great night of music from the USA to Bridport's Electric Palace on Wednesday, November 16th, with the visit of *Appalachian Roots* from North Carolina.

Appalachian Roots is a duo show featuring Ira Bernstein and Riley Baugus. Their performances are a dynamic mix of traditional dance, song, and instrumental music from the southern Appalachian region of the US, with a few international twists thrown in. Concerts include percussive flatfooting and buckdancing, rhythm tap dancing, French-Canadian step dancing, English clogging, South African boot dancing, hambone, fiddle tunes, and fiddle sticks by Ira; southern Appalachian songs and ballads, old-time banjo and fiddle tunes, and mountain preaching by Riley; and a good dose of fiddle and banjo. Appalachian Roots is an old-time music and dance variety show chock full of humour and skill.

Born and raised in the suburbs of New York City, Ira Bernstein began dancing traditional Appalachian clogging and flatfooting, and playing the fiddle as a college student in 1978 in Philadelphia where there was a vibrant old-time music and dance community. He later went on to perform with the highly influential Fiddle Puppets, and the American Tap Dance Orchestra. Ira has performed in concerts and at festivals all across the U.S. and Canada, as well as in sixteen other countries around Europe and Asia. He has shared the stage with

many of the world's greatest tap and step dancers, including the legendary Gregory Hines and has appeared numerous times on television and in theatrical productions. Ira has repeatedly won first place in the Mount Airy Fiddler's Convention old-time flatfooting competition.

Riley Baugus is a North Carolina native who began singing and playing music at an early age. Raised in a household where recordings of old-time music were often played, he developed a love and appreciation for traditional, southern Appalachian music. Riley began honing his musical skills with close friend and neighbour, fiddler Kirk Sutphin, by visiting elder traditional musicians in and around Grayson County in the Blue Ridge Mountains of North Carolina and Virginia. He often visited, played with, and learned from fiddlers such as the legendary Tommy Jarrell, Robert Sykes, and banjo player Dix Freeman.

Riley has played with numerous old-time stringbands, including The Red Hots, Backstep, and the Old Hollow Stringband, and currently plays with the Dirk Powell Band, and Polecat Creek. He has also taught banjo, guitar, and fiddle at music camps throughout the U.S., and has toured in Europe with The Farmer's Daughters, Dirk Pow-

ell and Tim O'Brien, The Konnarock Critters, and Ira Bernstein. Riley makes his home near Winston-Salem, North Carolina, where he builds old-time, open-back banjos, and is part of a thriving musical community. His singing is featured on the soundtrack to the recent Academy Award winning film *Cold Mountain*.

Support comes from Stompin' Dave himself who has organised this concert. Recently described in the Daily Telegraph as "a master... a formidable musician and a true original." The performance starts at 8pm with doors opening at 7pm. For tickets please call or visit Bridport Music (01308) 425707 or Bridport TIC (01308) 424901. Series of events makes great use of the Skrabl organ at St Michael's Parish Church

LYME REGIS' St Michael's Parish Church is proud to be putting on several events over the coming weeks and making great use of the wonderful new Skrabl organ and invite you to come and share in something.

On Saturday, October 29th the church is hosting a morning for youngsters aged 9-18 who might be interested in learning the organ through a Diocesan scheme called "Pipe Up". The Saturday morning workshop called "Pipes and Pizzas" from 10am - 12.30pm is being led by several experts and will allow young participants to hear the organ, learn a bit about how it works, look at the accessible bits up in the gallery and play it themselves as well as sharing in eating a few pizzas together! Participants are asked to register their interest with Desmond Chaffey in advance on 077889 72789.

On November 11th at 7.30pm the Sheldon Singers directed by Julie De'Ath Lancaster will present "a reflection for Armistice Day" at St Michael's Church, Lyme Regis with a retiring collection taken for the Royal British Legion. The highly acclaimed choir, who have recently returned from a successful tour in Portugal, will sing music including; "For the Fallen" by Mike Sammes, a setting of Fletcher's early 17th century poem "Drop, drop slow tears" by Gibbons, "Restless is the heart" by Bernadette Farrell. The main choral work of the evening and accompanied by the new Skrabl organ will be the "Eternal Light Requiem" by Howard Goodall. Popularly known for his setting of Psalm 23 "The Lord is my Shepherd" well known as the theme tune of the BBC's Vicar of Dibley series, Goodall says that his modern Requiem "acknowledges the terrible, unbearable loss and emptiness that accompanies the death of loved ones. The death of someone before their time fights nature and those of us who are left have few ways of coming to terms with it. Musical expression can I hope provide some outlet, some reflection, some transportation, even some comfort... This was to be a Requiem for the living, a Requiem focusing on interrupted lives." Alongside Latin phrases are those of John McCrae's war poem In Flanders Fields; sections from the book of Revelations and the coming of the Angels of the Apocalypse; and other texts by Francis Quarles, Mary Elizabeth Frye and Ann Thorp.

The following Friday, November 18th, at 7.30pm sees Dorset based organist Margaret Phillips playing the Skrabl organ in a recital for the organ appeal fund. Regarded as one of Britain's most outstanding concert organists and teachers, Margaret Phillips studied with the late Ralph Downes and with Marie-Claire Alain. Since 1996 she has been Professor of Organ at the Royal College of Music in London, and she is also much in demand throughout the UK and abroad as recitalist, teacher, masterclass tutor and international jury member. Her CDs, which include the complete organ works of Mendelssohn, Saint-Saëns and Stanley, have been highly praised; she is currently well into a project to record the complete organ works of Bach. In 1994, Margaret Phillips and her husband founded the English Organ School and Museum in former chapel premises in Milborne Port, Somerset, where they have a small collection of organs by English organ builders from the eighteenth century to the present day. Margaret's programme will include works by Bach, Bruns, Langlais and the world premiere of Six Bagatelles by Brian Chapple. Tickets £10/8 children £5 are available at the door or in advance from the TIC on 01297 442596.

Finally on Saturday, November 26th the Parish Church will host an afternoon masterclass starting at 2pm. David Bruce Payne, a distinguished organist and adjudicator at many music festivals, is coming to guide organists of all levels of ability into the secrets of good service accompaniment. The event is open to anyone with an interest in church music, whether as players or observers. This will be the third masterclass which the newly formed Lyme Regis Organ School has presented during 2011. More events are being planned for 2012, including a 3 day residential course in February. See www.lymeregisorganschool.org for more details.

Debbie Lindsey

NEWS AND MARKET UPDATE FROM GORDON AND RUMSBY

So, we are winging our way towards Christmas again and is anyone else looking forward to it more than usual? My children (well hardly children anymore at 19 and 16) seem to be and I find myself doing the same. Perhaps it's just because we need something to feel positive about? Here we are in yet another year of uncertainty and with the media still predicting a bleak financial outlook towards the future. After all, it has been four years now since the crisis that started with Northern Rock and we don't seem to be coming out of it yet. However, we are not going let that dampen our enthusiasm here at Gordon and Rumsby! Like our colleagues at this publication, we will keep positive and focus on the good things.

One of the good things that has happened here at G&R, which we are delighted to announce, is that we have enlisted the services of very well respected local estate agent Debbie Lindsey, who is based in Seaton to better cover the East Devon area. Debbie brings with her a wealth of experience in estate agency so we are very pleased that she is now working with us to help move the company forward. Along with Mary Whyman who writes our wonderful blogs and also assists part-time with the business and Richard Pittendrigh (with whom we have a professional association). We may be a small team but we are well connected, positive and enthusiastic about property – all property! We sell all kinds of property from one bedroom apartments to 6

bedroom farmhouses with acreage. Whatever kind of property you own, we will appreciate it and be delighted to market it for you.

In an effort to keep up with technology, we recently launched the use of QR codes on our advertising, which is something that appeals to the high-tech buyer with a Smart Phone. Please feel free to ask about this if you want to know more. We also Tweet a little and blog weekly (thanks to Mary).

Finally, a quick word on the state of the market. Yes – it is quiet again and we may need some price reviews to encourage more activity BUT there are some positives. It is a strong possibility that investors may start putting their money back into bricks and mortar rather than the unstable financial markets and banks. If this happens, it could kick start the lower end of the market which will ripple through to the rest of the market and the whole thing starts moving again. We are already seeing more viewings on the smaller properties (mainly older cottages) and to this end we are looking for more character cottages (ideally in good condition) to put on the market. We are also in need of family homes with good size gardens in quiet locations to satisfy many of the buyers in rented accommodation that can't find what they are looking for. Please consider giving us a call if you are thinking of having a valuation.

This is what our customers are saying about us...

VICTORIAN TERRACE WITH A TWO HUNDRED FOOT GARDEN ON A BUSY ROAD IN BRIDPORT

From the initial meeting right up to the courtesy visit to see how we were settling and take away the For Sale sign we were impressed. Gordon & Rumsby is a very honest, up front and open business. Julie Gordon, in particular, is a superb estate agent who gave accurate information, was extremely helpful and worked to provide a fantastic service. We can't praise her highly enough.

17TH CENTURY VILLAGE HOUSE
We had very good service from the agent, she kept us informed at all times and all went smoothly

GRADE II LISTED TERRACED HOUSE
Julie Gordon was always professional, polite and friendly. We liked the brochure she photographed and printed for our property - it looked fab! I think that Julie sold our property for us within a short period of time (3 weeks) because people trust in her. I would use Julie Gordon in any future move.

DETACHED FAMILY HOME (3 BEDS) IN THORNCOMBE
Very proactive, professional service. Kept us up to date with all developments during the buying process. Also friendly and understanding whilst remaining total professional. Very satisfied with the service we received.

DETACHED THREE BED 10 YEAR OLD HOUSE WITH SINGLE DETACHED GARAGE
This property had previously been with two other agents for some time. Julie Gordon, living in the village was recommended and proved herself to be a professional, helpful and friendly estate agent.

THREE BED DETACHED BUNGALOW IN QUIET LOCATION
Very happy to answer any questions and arranged viewing to suit. Good follow up on own accord.

DETACHED FOUR BEDS, THREE RECEPTION PLUS 2 BED ANNEXE
Excellent. Kept us informed all the way through the transaction. Would recommend them to any other seller.

TWO AND HALF ACRES, SMALL HOUSE OF CORRUGATED IRON PLUS MULTIPLE DERELICT SHEDS
Helpful, courteous at all times.

3 BEDROOM DETACHED BUNGALOW RECENTLY RENOVATED AND EXTENDED OVERLOOKING VILLAGE AND VALLEY
very professional, helpful and always kept us informed of progress of purchase.

THREE BED DETACHED TRADITIONAL HOUSE
Friendly, efficient and very personal. Kept us informed at all times.

Three Fords named best used buys by What Car?

FORD has collected three Used Car Awards from What Car? in recognition of the market-leading range's popularity in the UK's pre-owned car market.

The UK's top selling car, the Ford Fiesta, is the model which used small car buyers should be targeting, according to What Car?.

The 'buyer's bible' recommended the three-year-old five-door, 1.25-litre Ford Fiesta Style+ for its outstanding value including MP3 stereo, air con, remote central locking and electric windows.

"As well as being well priced, the Ford Fiesta has low running costs," said What Car? "The Fiesta is genuinely entertaining to drive, quiet and smooth, well specified and roomy, which means it suits most small car buyers perfectly."

Two Ford large cars are also What Car? Used Car Award winners – Ford Mondeo and Ford S-MAX.

The Ford Mondeo, already Best Family Car and Best Estate Car winner at the title's

2011 new car awards, is also its Best Used Family Car. What Car? highlighted the four year-old Mondeo in five-door 2.0-litre TDCi Zetec guise.

"The 2.0 TDCi makes the Mondeo feel suitably rapid and it averages a respectable 47.9mpg," concluded What Car?. "The Mondeo's blend of sharp styling and quality materials gives it the air of an execu-

tive model."

Ford's same acclaimed 2.0-litre TDCi diesel is the chosen engine in What Car?'s Best Used Multi-Purpose Vehicle (MPV). The Ford S-MAX 2.0TDCi Zetec on a '57' plate is praised for its sharp steering, tight body control and nimble handling.

Mark Ovenden, Ford Britain managing director, said: "Ford's best ever new car range is now providing

the used market with a succession of exciting models. The Ford Fiesta, Mondeo and S-MAX are winning over customers from the showroom to the forecourt through an unrivalled combination of quality and value."

Ford dealers' used car performance was 3.2 per cent up in the first eight months of this year versus the same 2010 period.

Lyme and Beaminster safely
through to Coronation semi'sEDWARDS CHARITY CUP
Pymore 9 Charmouth 1

CAMERON Murless (3), Darren Poole (3), Tom Gale (2), Brandon Scadding and Rob Wayland scored the goals as Pymore breezed past Charmouth to book a place in the revamped Edwards Charity Cup Final against Beaminster.

Paul Grinter scored the Robins' consolation in Thursday's semi-final tie played under the St Mary's floodlights.

CORONATION CUP QF

BEAMINSTER 4 WINSHAM UNITED 1

BEAMINSTER survived a physical test from robust Winsham to earn a place in the semi's.

Andy Mapstone put the Rainbows ahead with his sixth goal of the season and Murray Legg doubled the lead only for Stuart Richards to reduce the deficit before the interval.

But second-half strikes from skipper Ben Ward and Dave Penn (in what bizarrely appeared to be the 15th minute of injury time!) secured a semi-final date with South Petherton.

Beaminster manager Sean Annetts was pleased to see his side overcome the distinctive problems posed by opponents Winsham, he said: "It was certainly a trial for our lads.

"I think the only time we really brought the ball down and played was for Penny's goal which rounded off a superb one-touch move."

CREWKERNE TOWN 2 W & M CHINNOCK 1

CREWKERNE Town survived a host of injuries before scraping past plucky West & Middle Chinnock.

"I could have made seven substitutions throughout the game" said Tigers' player-manager Nick Murphy who in fact came off the bench himself to net the winner nine minutes from time.

Earlier the Chinnocks had taken a fourth minute lead through Russell Lock before Barry Hayne squared things up soon after the interval.

FARWAY UNITED 1 SOUTH PETHERTON 2

LEAGUE top-scorer Rich Hebditch took

his tally for the season to 16 with both South Petherton goals in an edgy 2-1 win at Farway United's Eastlee Park.

Hebditch also missed a penalty as Pethy remain on course to add to their tally of three victories in the competition. James Salter, with his fourth goal in as many games, bagged the Farway consolation.

LYME REGIS 3 ILMINSTER RES 2

CUP holders Lyme Regis deservedly overcame an in-form Ilminster Reserves to set-up a semi-final clash with Crewkerne Town.

Despite being on top for large parts of the game a number of the Seasiders' ranks appeared, at times, complacent and never really got out of second gear.

The hosts took a third minute lead when Steve Batey's long throw-in was nodded home at the near post by Jason Hawker.

Hawker was denied a second 20 minutes later when he got on the end of Aaron Cleal's drilled cross to power home a bullet header only to be denied by a linesman's flag.

But it wasn't long before the second goal did arrive. On the half-hour Adam Caddy surged through the inside left channel before clipping home a neat finish past ex-Merriott 'keeper Adam Berry who recently returned to Ilminster.

It should have been three on the stroke of half-time but Dom Rowe fired over from 12 yards when it would have been easier to score.

The visitors hauled themselves back into the game soon after the interval when Wayne Crocker's speculative long-range looped effort deceived Seasiders' teenage gloveman Will Meech.

The Blues went close to leveling five minutes later when Berry's long clearance was collected by speedy front man Dan Vining who found George Scott - but the youngster couldn't keep his effort under the crossbar under pressure from Matt Laing.

Lyme Manager-for-the-day Malc

Darby then opted to switch Hawker for the fit again Julien Simier.

And the French striker almost scored with his first touch only to be denied by an upright from close range.

With 15 minutes remaining Cleal missed a golden opportunity to make the game safe when he scuffed a clear-cut chance after Joel Gostling had fired the ball across the goalmouth.

The Seasiders finally bagged their third in the 86th minute when Simier coolly rounded Berry before rolling the ball home.

There was still time for Mike Whitefield to notch a late consolation for Ilminster but Lyme had done just enough.

◆ Semi-Final draw; Beaminster v South Petherton, Lyme Regis v Crewkerne Town.

JOHN FOWLER CUP QF

WAYTOWN HOUNDS 5 COMBE A 0

For the first 20 minutes it looked like Combe were going to be the toughest test yet for the Hounds.

But the Hounds started to get a grip on the game and after 30 minutes Tom Rutland drilled a 20 yard shot into the bottom corner.

Soon after Matt Read slipped the ball through to Tom Menaldino, who curled the ball round the keeper. A fine save from Bill Fleet direct from a corner made sure the first half ended 2-0.

Ten minutes into the second-half The Hounds were 3-0 up, Menaldino raced on to a through ball and hammered a shot home via the underside of the bar. Rutland then turned provider slotting the ball through to Edd Stephenson who finished well.

Man-of-the-Match Stephenson then weaved his way down the by line before squaring the ball to Dan Dunford who turned the ball in to make it 5-0.

W & M CHINNOCK RES 2 MILLWEY RES 5

DANNY Larcombe (2), Levi Hoole (2) and Javier Montalvo scored the goals as Millwey Reserves eased past the Chinnocks' Reserves.

◆ Semi-Final draw; Luso-Chard v Millwey Rise Reserves, Hawkchurch United v Waytown Hounds.

PREMIER

COMBE RESERVES 0 MERRIOTT ROVERS 0

NEWLY appointed Merriott Rovers manager Martin Case thought his side just about-shaded Saturday's goal less draw with Combe Reserves at Slades Cross.

DIVISION ONE

FORTON RANGERS 3 LYME REGIS RESERVES 0

LYME Regis Reserves, who gave a debut to veteran Bridport 'keeper Mark Bevis, were twice cut open by bustling midfielder Dean Salter in the opening half-hour and once again failed to create any clear cut chances as they slipped to a third straight defeat.

MILLWEY RISE 4 NETHERBURY 2

On a blustery day in East Devon Netherbury FC pushed league leaders Millwey Rise all the way in very close game.

The Ambers withstood most of the early pressure from the hosts, but they got a deserved breakthrough on 20 minutes when Mike Knight scored direct from a corner.

Netherbury responded well and equalised 10 minutes later when Ali Kamara fired home from the edge of the area.

It was an excellent first-half, but as predicted Millwey came out fighting in the second half, with an increased urgency in their play. The re-took the lead from a corner, when Dan Melish could not prevent a Terry Emmett bullet header crossing the line.

Once again Netherbury responded and equalised soon afterwards, with Tom Franklin floating in a lovely free-kick for Kamara to bundle in his second. With the game finely balanced Netherbury needed to keep things tight, but Millwey re-took the lead through Emmett's stunning 30-yard volley.

With the wind against them and time running out, the Ambers conceded a fourth late on when Emmett completed his hat-trick.

A disappointed, but proud Andy Loudon was pleased with the whole team, but gave special praise to his back four for coping well with Millwey's strong attacking threat.

PERRY STREET RES 1 BEAMINSTER RESERVES 3

IN-FORM striker Josh Hunter took his tally to a remarkable nine in the last three games with a hat-trick.

Hunter scored twice in the opening 45 minutes before Street grabbed a foothold when referee Richard Young awarded a penalty that Rainbows' boss Robin Ormsby described at "Very dubious".

But it mattered not as Hunter made the points safe late on. Star man for Beaminster was midfielder Richie Middleton.

DIVISION TWO

CHARD RANGERS 3 UPLYME 1

UPLYME made their now customary sluggish start and were on the back foot when they conceded an early Lloyd Cleal own goal after they failed to deal with a long throw-in.

Two more goals before the break led to manager Rob Coombe having to read the half-time riot act to his beleaguered troops.

The Swallows put in an improved shift after the restart and Gavin Fowler netted his eighth goal of the season but despite enjoy the lion's share of possession they couldn't break down the Rangers back line again and trudged home empty-handed.

CHARMOUTH 0 DOWLISH & DONYATT 3

TEENAGER Tom West was top performer as

WINNER: Julien Simier came off the bench to score Lyme Regis' third in quarter-final victory.

PROLIFIC: Striker Josh Hunter is banging in the goals for fun for Beaminster Reserves.

RETURNING: Tim Hussey is heading back to Pymore after scoring 36 goals in little over a season for Netherbury.

Charmouth slipped to defeat at the hands of Dowlish & Donyatt who returned to top spot.

Pymore 1 Crewkerne Town Reserves 2

A CAMERON Murless penalty couldn't save Pymore from a 1-2 defeat against Crewkerne Reserves at St Mary's.

"We were definitely worth a point" said Pymore manager Matt Tither who confirmed to *VIEW SPORTS* that Steve Coombes and Timmy Hussey would be joining his squad after leaving neighbours Netherbury.

Officials at NFC wished to thank Coombes for his 12 years service.

BARRINGTON RESERVES 7 LYME REGIS BANTAMS 2

THE Seasiders suffered their biggest defeat of the season on the wide open spaces of Shelway Lane at the hands of unbeaten Barrington Reserves who appear set for a push for promotion.

The hosts took an early lead but Patryk Skibinski equalised soon after. But a double strike saw Lyme head into the break 3-1 in arrears.

Barrington took control after the restart and surged into a 6-1 lead before Pete Peacock kept up his record of scoring in every game this season.

The Seasiders lost midfielder Ant Symes with a dislocated shoulder after just 20 minutes.

UPLYME RESERVES 0 THORNCOMBE RESERVES 5
UPLYME Reserves joint-manager Andy Cleere was pleased to see his charges put in an improved performance despite going down 5-0 to Thorncombe Reserves.

"It was one of our best performances of the season, we were still the game midway through the second-half when we were only one down."

Victory for new captain Julia

Lyme Regis Golf Club Ladies
by Ellie Langford.

OCT 20TH BOWMAKER

AFTER a cold start and showers of light rain, the sun came out, conditions improved and the later players had the advantage of warmer, drier conditions.

Results: 1st Julia Collins, Jane Dixon, Di Smith 86pts ocb. 2nd Ros Cox, Linda Richmond, Rosemary Dare 86. 3rd Linda Bass, Felicity Horton, Angie Clark 85.

Captain's Drive In.

Sunday saw the newly elected Captains take part in the annual Drive In.

Julia Collins did a respectable drive up the first fairway to the crack of a large firework which was let off in the hope of distracting her.

Steve Phillips, still on crutches after a knee operation, just about managed his drive, a brave effort.

■ AT THE HELM: Newly appointed Lyme Regis Golf Club captains Julia Collins and Steve Phillips.

BOB BUCKLER RACING

WITH STUART BROOM

Well earned rest for Elliott's duo

AFTER a season which has earned owner Nick Elliott over £40,000 in prize money, his consistent duo of **Ethiopia** and **Cullahill** have earned their winter holiday after one last run at Wincanton on Sunday.

There was mixed fortunes for the two in the F.J. Chalke Desert Orchid Handicap Chase (For The Desert Orchid Silver Cup) over 3 miles 3 furlongs at Wincanton. Ethiopia having won one and finishing third in two Grade 2 races in the last two weeks found the race just one too many for him.

Andrew Glassonbury pulled him up with a third of the race to go, whilst Cullahill after being headed three out and looking beaten, picked up and snatched third place in the last stride from Gullible Gordon.

Buckler said: "Ethiopia sweated up before the race which was his way of telling us he'd had enough, whilst Cullahill battled back well having seemed to have been beaten."

Both horses, who have prospered from the firm ground this autumn have had 15 races this calendar year, and will now take a break until next spring.

There was plenty of other good news in the Buckler yard as more of the winter horses took to the track at the start of their season.

The Happy Warrior, a half-brother to Warlord who Bob Buckler rates as the best horse he has trained until he was tragically killed at Wincanton, put in an encouraging display in his first race that had the Henley trainer believing he could be as good as his sibling.

After finishing fifth in the Exeter Racecourse Firework Spectacular 29.10.11 'Junior' Standard Open NH Flat Race over 1 mile 5 furlongs he said: "I'm absolutely delighted. He needed the race, and although he ran fairly green particularly by running wide on the bends and he also half tried to jump a break in the ground from which he lost his action, Andrew Glassonbury let him regain his balance, and he has gained great experience from the race and learned a bit."

"He is taking time to mature, and will have a break now over the winter, but I believe he could be as good as Warlord."

Buckler was also pleased with John's Gift who finished third in the Fred Rimell Memorial Novices' Chase over 2 miles 7 furlongs at Worcester.

"He won't get three miles yet but I chose the race because I wanted to give him a chance to improve his jumping at a steadier pace than over a shorter distance where they race much quicker."

Buckler was pleased with his performance saying he will come back into handicap races in the future boosted by a better jumping action.

Unfortunately Edmond Lineham did not follow his trainer's instructions on Sulpis in the Oxford Landing Estate Conditional Jockeys' Novices' Handicap Hurdle at Fontwell.

Up with the pace they dropped out of contention halfway through, but then rallied towards the finish to take third.

"Unfortunately Edmond let him idle down the hill and he lost 25 lengths which was too much to make up once they levelled out, otherwise he would have been a lot closer."

Old favourite Double Dizzy made his first appearance of the season in the Class 2 3 mile 1 furlong Betfred 10 Best Odds In Shops Veterans' Handicap Chase and finished a creditable fifth.

Buckler was pleased with the 10-year-old's performance claiming it to be his best first run of the season for six years.

"He's a bit of a monkey and got real character and this is a typical start for him, but it was a high handicapped field with some good horses, in which only six of the ten finished."

"To be fair they went a bit quick for him at the start and he couldn't stay with them but James Best gave him a good ride, and although he tired two out it was a good pipe opener."

Seasons preview of Buckler's yard continued.

Bob Buckler gave a run-down of the horses currently in training at Henley and his thoughts for the season ahead (Part 2 of 2)

GLENWOOD PRESENT (IRE) 2007 Chestnut Gelding Presenting - Chancy Lass

Mr N Elliott

This four-year-old chestnut was a winner of a 3m point to point in Ireland in his only run.

He has the makings of a classy chaser with a Grand National winner in his bloodline.

Despite winning in Ireland he has been slightly immature and will be given enough time to develop.

I have found him to have a great engine when on the gallops and I am really looking forward to his continuing development. He will be given a bumper run before the year end.

JOHN'S GIFT (GB) 2004 Chestnut Gelding Kadastrof - Connaught's Pride Mr J.A.G. Meaden

A great big strapping lad who has really grown into himself over the summer, must be something in the Yetminster grass!

He's crying out to be a chaser and hopefully should be strong enough this year and with a breathing operation behind him it will be interesting to see if he can become something special.

He will contest novice chasing over 2m 5f to 3m on decent good ground.

MALIN HEAD (IRE) 2005 Bay Gelding Presenting - Dedham Gale Strictly Come Racing

Six-year-old bought at the Doncaster sales who has won one point-to-point in Ireland and been placed in three.

He has had a year off in Ireland allowing him to mature and grow, will take some time to get him fit but is shaping up as though he will be a class horse, he goes well on the gallops and schools very nicely.

We will start him off hurdling then progress him to novice chasing.

MISTER MATT (IRE) 2003 Bay Gelding Alfira - Swing Quartet Mr J la Trobe

Came over from Ireland after being placed at Galway and showed promise when 2nd on his first run here but unfortunately strained a tendon in an exuberant jump in his first chase.

He has had plenty of time to recover and hopefully now he is bit stronger will prove to be a very exciting chaser, has been very consistent and has now won two races during the summer.

MIZZURKA (IRE) 2004 Bay Mare Alfira - Miss Diskin

Golden Cap Syndicate A really stunning looking and wonderful moving big mare. Half-sister to Double Dizzy and winner of three bumpers including the mare's championship at Sandown, ultimate accolade!

She picked up a hurdle win last season, placed in a mares' hurdle final and has developed even more over her summer break.

She has the potential to be a top stable star and will go novice chasing in the mare's series with the final at Newbury being a realistic target, though she will need soft ground.

QUIX (GB) 2006 Bay/Grey Gelding Fair Mix - Teeno Nell

Golden Cap Syndicate A really athletic youngster by a newish stallion who seems to be throwing good looking horses.

He was a big disappointment last season after a promising third place at Lingfield on his debut.

Now back after the summer he seems stronger, more resilient and mentally mature. He will go straight into hurdles as he seems a natural jumper.

READY OR NOT (IRE) 2003 Bay Gelding Oscar - Ou La La

Mr C & Mrs A Collier Seemed to have come into himself after having his breathing sorted when winning chases in March and April. Has now been put out for the Winter due to a few leg issues.

He will be aimed at a Spring campaign in chases around two and a half miles and we expect him to progress up the handicap though he will need good ground.

RIVER INDUS (GB) 2000 Bay Gelding Raka-

poshi King - Flow

Mrs C.J. Dunn

A stalwart of the yard who is regularly placed and winning in turn. River Indus won once last season with four placed efforts.

He is away at his owners at present having a well deserved rest and will come back around Christmas and be ready for a spring campaign in three mile handicap chases.

SAINT PERAY (FR) 2006 Bay Gelding Fragrant Mix - Gintonique

Strictly Come Racing Five-year-old gelding bought at the Doncaster Sales who has won four point to points.

He is now ready to go and should be versatile with the ground he runs on. We are aiming to send him to a novice handicap hurdle over 2m 5f then move him up to 3m chases.

SMALL FLY (IRE) 2004 Bay Gelding Humbel - Tworow

Mr R H Buckler Brought over from Ireland after one race, Small Fly looked good on his debut in March for the yard when at Ffos Las but fell when coming to challenge the leaders and still going well.

Despite falling again has schooled over hurdles extremely well at home and has strengthened up over the summer.

He seems on good form at the moment and will be ready to race very soon and we will be looking for a handicap mark with him.

SULPIUS (GER) 2005 Bay Gelding Tertullian - Suva

Silver Fox Partnership Sulpis has recovered very nicely from a win operation and we will find out how successful it was when he arrives on the racecourse.

He has got himself fit very quickly from his summer break and will be out very soon where he will compete in hurdle races around two and a half miles.

THE HAPPY WARRIOR (GB) 2008 Bay Gelding Luso - Martomick

Mr N Elliott

Half-brother to Warlord, who was tragically lost at Wincanton, Happy Warrior has now completed his education and roadwork and is turning into a very classy horse who moves and travels so well on the gallops.

He has a wonderful temperament and will compete in three-year-old bumpers and should be first seen out in November.

THE SAWYER (BEL) 2000 Chestnut Gelding Fleetwood - Green Land

Mr D Fear

A great character as well as being a consistent talented chaser. The handicapper isn't making it easy to place him now though.

Unfortunately has knocked his knees after coming back from his summer break but is recovering well and we are hoping it will be in time for the Grand Sefton at Aintree.

He will compete in veteran chases and handicaps this season as well as level weight listed races from 2m 5f up to 3m.

The Sawyer needs genuine soft ground to be at his best.

UNNAMED BY MILAN 2008 Bay Filly Milan - Supreme Nova

Mrs H Dunn

An active three-year-old filly who did the basic education in Ireland before coming over.

She is coming on very well and is clicking on to what she is expected to do very quickly. She will be entered in some three-year-old bumpers when she is ready.

UNNAMED BY TAMURE (GB) 2008 Bay Gelding Tamure - Quick Exit

Mr R H Buckler

A nice looking three-year-old who has been broken and has now had his road work and education.

He is a big horse who needs to mature and has gone out in the field to do that. We will look at bumpers in the Spring for him.

Straight from the horse's mouth:

The ones to watch this season are Ballyegan, Malin Head and The Happy Warrior

Beaminster foiled by late goal

Beaminster 2 Swanage & Wareham 2 ONLY a terrific goalkeeping display from Holly Phillips prevented Beaminster Ladies hockey team from heading Channel Division 1 on their own after the league's two unbeaten sides battled out a draw.

Phillips produced a string of superb saves as Beaminster looked to make it five straight wins, but finally had to settle for a point when the Swans grabbed an equaliser just five minutes from time.

Beaminster attacked straight from the start and forced two unproductive short corners before the visitors scored with their first attack in a breakaway on four minutes. The experienced Kate Black was given too much time to run from midfield and she set up Joe England to fire past Rachel Andrews.

Beaminster continued to pepper the Swans goal despite the setback, and Phillips produced a good smothering save to keep out Danni Donovan's shot on 14 minutes.

However she was beaten a minute later following a good run down the right by Izzy Davies. Her cross into the D was touched on by Nephele Theophanidis which wrong footed Phillips, and Toni Aplin moving in from the left wing turned the ball in at the far post for the equaliser.

Although Black, who was given too much space in the first half, continued to be a threat when she got the ball, most of the play was in the Swans half, and Phillips produced three more excellent full length saves to keep her side on

terms.

Whilst Andrews was far less busy, she was also in good form, blocking two good efforts with her feet.

Beaminster negated Black's influence in the second half by closing her down quicker, and they continued to dominate the proceedings. However Phillips looked to have denied them victory with more excellent keeping including a stunning save; diving full length to her left and turning the ball around the post to prevent Donovan's low shot finding the corner of the net.

However she couldn't prevent a piece of magic from Izzy Davies following more goalmouth action 13 minutes from the end.

Having blocked an initial shot on goal, the ball was returned to the danger area where Davies with her back to goal lifted a reverse flick high into the top corner of the net.

It appeared Beaminster had been rewarded for their efforts with a winning goal, but with five minutes to go, the Swans were awarded only their second short corner of the game, and England drove a ferocious shot past Andrews to give the visitors a point they hardly deserved.

Although both sides were missing a couple of key players, the game was an excellent advert for the game and suggests that both sides will be the teams to beat this season.

Dorch denied by second-half fightback

DORCHESTER 9 SHERBORNE 13

CONDITIONS were good for rugby at Dorchester, with a firm pitch and a negligible breeze blowing across the ground, and both sides started brightly, and at pace.

It was the home side who drew first blood however after Sherborne had conceded a penalty on the own ten yard line by deliberately knocking-on. Bament's place kick bisected the posts and Dorchester were three points to the good. The home side would have been further encouraged by disrupting their opponents' heel at a subsequent set scrum.

Further problems beset the visitors in short order when one of their pack was sent to the bin for a push on his own twenty two. Bament's place kick was again accurate and gave the home side a 6-0 lead after 15 minutes' play.

Sherborne were a well drilled side however and, although coming second in the set scrums, thanks in no small part to Warren the home loose head who had his opposite number in his pocket for much of the game, had a good lineup, and also mauled well. They had a chance to reduce the arrears in the second quarter but their penalty kick from the twenty two slid wide.

Dorchester increased their lead on the half-hour. Having won the ball on their own twenty two, Bament kicked long and into space before being the victim of a late tackle. The penalty was therefore awarded 30 yards from the Sherborne posts, and ten yards in from touch and the out half duly kicked the goal.

Sherborne got a score back just before the break. The home side was penalised inside their own half and were sent back 10 yards for "rabbit" and the award was duly goaled. Dorchester did have a chance to extend the lead just before the break but Bament could not land the long range penalty.

Nevertheless, I felt that Dorchester were value for their 9-3 interval lead, although issues were by no means settled.

After an evenly contested first ten minutes the second-half began to go the way of the visitors. They mauled their way to the home line but were held up, only for Dorchester to win the ensuing scrum against the head and kick clear.

Sherborne were spending more time in the home twenty two now and just about on the hour, they converted a penalty to take the scoreline to 9-6 in home favour. Pressure was increasing by the minute on the home line now and, although the defence was stout, one felt that something had to give eventually.

Sherborne were held up over the home line for a second time, (I thought they had touched this one down) then, after a bout of concerted pressure the defence conceded a penalty. The quick tap was taken and Sherborne got over halfway out. The conversion kick was successful and Sherborne now led 13-9 with less than five minutes remaining.

The home side did mount one last attack and were forced into touch just short. Their opponents then went back to their strengths, winning the ensuing lineup and mauling their way upfield before the final whistle came.

Sherborne did, I think deserve to win this one, if only for their second-half performance. They were a well drilled outfit with good fitness levels, but did not really have too much penetration outside the scrum and were a little petulant at times.

Dorchester did fade in the final quarter as their tackling count mounted and eventually came up just short.

The Dorchester second side however managed a very comfortable 33-0 win over visitors Verwood, but regrettably the thirds encountered team raising difficulties and had to concede their game at Bournemouth fourths.

ELLINGHAM & RINGWOOD 2nd 0 WEYMOUTH 39

MISSING one or two of their influential players for this Dorset & Wilts Division One game, Weymouth suffered another blow after just ten minutes' play when George Carter had to leave the field with a shoulder injury.

They regrouped however and took the lead with a Jonny Mason try after a good forward drive.

In fact they did not play too well in the first-half, being slow to start, and giving away too many penalties for their own peace of mind. They got another try however, scored by Ben McConnicke and converted by Dick Sheppard; and when Harry Charles touched down after a pick up at the base of a scrum just before the break, the were in control at 17-0 ahead.

The Weymouth pack dominated the second-half and four tries came. Winger Simon Dean scored the first. Jonny Mason touched down the second to claim his second try of the afternoon. Max Vallance got over, and Sam Morris got the fourth, converted by Sheppard to complete the scoring and to take Weymouth to a bonus point away win.

PUDDLETOWN 18 WEYMOUTH 2nd 20

I GAVE myself a quiet pat on the back on first seeing this result, and another on finding out details, having been vindicated in refusing to forecast the outcome of this one.

The visitors, having taken an early lead through a James Almond try, were then pegged back as Puddletown went through the phases in a series of attacks that ended with out half Dovell taking a popped pass, finding a gap and getting over by the posts. Skipper Yeatman converted the try and, some ten minutes later, added a penalty goal.

Puddletown continued to do the majority of the attacking and, some ten minutes before the break, centre Hiscock was put clear and touched down. This try remained unconverted but gave the home side a 15-5 lead that they took in at the change round.

Weymouth certainly started the second-half the brighter and took the initiative with a second unconverted try, again scored by Almond, within five minutes. They continued to impose pressure and took the lead with a try by scrum-half Tye who sniped round the blind side from a five metre scrum. Out half Baudouin added the extras to give his side a two point lead.

Puddletown were not done however and a second Yeatman penalty around the hour mark edged them back in front. Both sides went at it "hammer and tongs" in the final quarter and, at the last, the home defence conceded a penalty and Baudouin held his nerve to bisect the poles with his place kick and to take his side to the win after a pretty close run thing.

SALISBURY 2nd 15 BRIDPORT 29

BRIDPORT went into this one intending to play a wider game

and to give the ball more air and it played dividends.

They certainly had the better of matters during the first period and, although they conceded a penalty, scored two tries of their own, through winger Dave Smith and Jason Kidd.

Kidd added the extras to his own touchdown and all seemed set fair as his side took in a 12-3 lead at the halfway stage.

It all went pear-shaped early in the second period however. The home side came back in no uncertain terms, scoring two tries of their own and converting one for good measure, thus taking the lead 15-12.

Bridport had to regroup and they did so by reverting to their agreed game plan. They regained the ascendancy with a try by Dave Cutting.

Substitute Botten added the extras, giving his side a four point cushion, and they then proceeded to stretch away with unconverted tries from Nick Hill and Rob Leins, and went on to win with some comfort.

This result will do no harm to the side's confidence and in fact, Saturday was a pretty good day for the Bridport club all round, with their seconds notching a 85-0 win over Blandford seconds.

PREVIEW

THE local leagues continue on Saturday next and BRIDPORT have a home game against one time division leaders SHERBORNE 2nd.

I chanced to watch these opponents a couple of weeks ago when they visited Weymouth and were beaten very comfortably. I got the impression that, while as a team they did the basics well enough, sending the ball wide at every opportunity, they waited for the gaps to open for them rather than taking the ball into contact and trying to break the defensive line.

Their defence too was found wanting on that day, and exposed by some direct running. They will certainly test Bridport's fitness levels but I would suggest that they could prove vulnerable to a concerted attack. If the home side gives its opponents room, it could be in for a long afternoon.

PUDDLETOWN are on the road. They travel to WHEATSHEAF CABIN CREW, a side who have in the past tended to vary from week to week. They do seem to have become rather more consistent in recent times however and I think a close game is in prospect.

WEYMOUTH are involved in what is probably the game of the day. They entertain league leaders, SWANAGE & WAREHAM 2nd, and will, if they win, take over at the top of the Dorset & Wilts league Division One (South).

It will not be easy but, having watched them demolish the then league leaders a couple of weeks ago, I would not bet against them doing so. They are playing pretty well at the moment, with one or two of their more influential players having added something to their individual games. They are playing more as a team also and, if they continue in the same vein, will be involved at the season's end.

DORCHESTER for their part, take the shortish journey to WIMBORNE, and will be hoping to put last week's disappointment behind them.

I thought they defended well enough against Sherborne and,

if they can show the same commitment on Saturday, they might just win this one. It will, I think, be close.

As to the second sides, Bridport and Dorchester seconds clash at the Brewery Field and, with both sides scoring heavily recently, this one can go either way. Weymouth seconds travel to take on Wincanton, with whom they were promoted at last season's end.

Their opponents have not started their campaign at all well and Weymouth will travel with confidence. Dorchester thirds make the journey to New Milton thirds, while Weymouth thirds entertain Ellingham & Ringwood thirds.

Fixtures 29th October:

Bridport v Sherborne 2nd; Bridport 2nd v Dorchester 2nd; Chard v Whitehall; Chard 2nd v Somerton (away); Chard 3rd v Castle Cary 2nd (away); Crewkerne v Taunton 3rd; Dorchester v Wimborne (away); Dorchester 2nd v Bridport 2nd; Dorchester 3rd v New Milton 3rd (away); Honiton v Newquay Hornets (away); Honiton 2nd v Newquay Hornets 2nd (away); Puddletown v Wheatsheaf Cabin Crew (away); Sidmouth v Berry Hill; Sidmouth 2nd v St Columba (away); Weymouth v Swanage & Wareham 2nd; Weymouth 2nd v Wincanton (away); Weymouth 3rd v Ellingham & Ringwood 3rd.

Bridport Rugby U15s

BRIDPORT U15s proved too strong for the Dorchester counterparts who could only muster 13 players and loaned some from their opponents, despite a disrupted line-up due to returning and new players.

Bridport started quickly and Skyler Herzog bagged two tries with devastating runs with new boy Billy Uppard and returning Charlie Tuck converting.

The pick and drive by the Bridport forwards was very effective and it was good to see players running in close support and the ball carriers off loading to keep the movements flowing. All players entered the rucks with strength and commitment and the team seemed to read play and make decisions. Maturity in the play is developing.

When Dorchester did break out, the tackling was sound. Skyler added another try before Dorchester ran in a good one of their own yo make the score 22-5 at half-time.

In the second-half Dan Symonds scored before Skyler kept up the try count with his fourth after an 80-yard individual effort, before the game ended early at Dorchester's request.

There were good displays in the Bridport team from Jack Hansford who proved hard to stop and made good yardage and the tackling efforts and skills of returnee Cary Coleman (in the first half playing for Dorchester), Will Lovell and the ever dependable Harry Stickley, who is proving to be one of the best tacklers in the division. James gave a good show in the centre for the blues and put in a good efforts for Dorchester, when he kindly agreed to play in green for the second-half. Kicking was a hit and miss affair due to the strong wind, but the accuracy wasn't far off.

The Bridport coaching team were really pleased with the team performance who they believe are gelling into a crack squad.

On the Oche: Darts news

LYME Regis Darts League competed in the Inter-League for the first time in 15 years last Saturday.

The Inter-League comprises of eight teams from Bridport, Colyton, Seaton, Sidmouth, Exmouth, Honiton, Axminster and Lyme Regis.

Lyme were drawn with Axminster, Colyton and Exmouth and got off to a good start with the ladies' representative Lisa Prowse winning her first game against Colyton 2-0. The Men's team continued that success winning 5-4 against Colyton.

Next up was the first round of the inter-league singles made up of all the Leagues' singles champions, Lyme's representative Terry Prowse was drawn against Colyton, and won 2-0.

Next in their group was Axminster. Again Lyme got off to a good start with Lisa Prowse winning her game 2-0 and, with no Exmouth Lady present, this put her into the Ladies final.

Lyme men carried on their good form winning 5-4 against Axminster making the last group game against Exmouth (who had also won against Colyton and Axminster) the deciding game in the group to see who played in the final.

But first it was the men's semi-final for Terry Prowse against Exmouth's Champion. Prowse came through 2-0 with a 135 shot-out in the first leg, and 84 shot-out in the second.

The Lyme then went down 8-1 in the group game against Exmouth. With the group games finished it was time for the finals with Lyme competing in two out of three events. In the ladies final between Bridport's Sarah Chick beat Lisa Prowse 2-1.

The men's final was between Terry Prowse and defending Inter-League Champion Phil Pearce (Sidmouth). Having lost the bull Phil won the first leg in 17 darts but Terry came back with a 180 and a 16 dart leg to take the second. Terry lost the ball in the deciding leg giving Phil the throw but came through with a 17 dart leg to win the game and the final.

◆ Lyme Regis team; Richard Powell Captain, Ray Powell, John Bowditch, Tony Young, Gus Cleal, Jay Pearce, George Lessey, Darren Herbert, Terry Prowse and Ladies representative Lisa Prowse.

BRIDPORT returned empty handed from their trip to bournemouth last weekend. The men lost 9-3 with the returning Mark Munro ending up the Eagle Autos man of the match with an average of 22.07.

The ladies came up against a very strong Bournemouth side that included the current world number 1 Deta Headman who signed on the night after taking part in a local competition.

The ladies finally went down 8-1 with Helen Long winning her singles game to be the Chideock Stores Lady of the match with an average of 16.40. Bridport are at home v Weymouth at The Clockhouse Inn, Chideock (8pm), all support will be really appreciated.

Weymouth youth rugby

Weymouth U11s 5 Swanage 20

WEYMOUTH'S developing U11 team hosted a very strong team from Swanage who took the lead with two tries.

However the young Weymouth side dug in and started to drive the opposition back with the scrums becoming more evenly matched.

As ever Swanage's discipline in defence and keenness to steal the ball kept Weymouth at bay at the beginning of the second-half and they scored a third try.

Even in the closing minutes neither team gave up, and a particularly strong run from Kai Moate supported by Aidan Fryer saw ground made into the Swanage half.

Weymouth kept up the pressure and Jack Bassil was freed up to score his and Weymouth's first try of the season.

However Swanage bounced back once again with some well executed set plays and were rewarded the last try of the match.

Although beaten by an experienced and well drilled side all the Weymouth players both new and old acquitted themselves superbly in a highly entertaining match for which Weymouth would like to pass on their thanks to the coaching team and players from Swanage.

◆ Under 6's: Any young players interested in joining the under 6s are welcome.

Training is on Sunday morning at the club from 10.30am - 11.30am.

Continuing success

Dorset & Wilts Girls U15s 63 Somerset Girls 5

DORSET & Wilts Girls U15s started where they left off last season despite losing all but six of their squad who have moved up to the U18s by thumping their Somerset counterparts 63-5 at Weymouth WRITES PAUL NEWBERY.

After a shaky start and with some guidance and support from the old heads, the new players which included Imogen Parker from Weymouth making her debut, started to become comfortable with their new found team members, and the pack although smaller in size than their opposition technically out scrummaged them; retaining all their scrums and winning the vast majority of Somerset's.

They were also more mobile allowing them to arrive at the rucks and mauls in numbers putting their opponents constantly on the back foot.

However the D&W backs unfortunately did not also take full advantage of the possession they had and put themselves under considerable pressure due to poor handling and decision making. When they did they made several blistering breaks and were rewarded with some excellent tries, although credit must be given to Somerset who defended extremely well and never gave up.

The players, parents and coaching staff wish to thank Weymouth RFC for the warm and friendly hospitality shown towards both teams, supporters and officials.

FOOTBALL ROUND-UP

with Stuart Broom

Payback time for Terras with trophy triumph

WEYMOUTH 3 AFC TOTTEN 2 - ATT: 512
FA TROPHY 1st Qualifying round

A THREE goal salvo in the opening 12 minutes ensured Weymouth of payback for the defeat at the hands of AFC Totton the previous week, and subsequently a trip to Thatcham Town in the second qualifying round of the FA trophy.

The performance of the officials in their FA Cup exit at Testwood Park had left a bitter taste in the mouths of the Weymouth management and players, and they were keen to show that they could match their rivals who currently sit atop the Evo-Stick South League Premier Division. Manager Brendon King made one change to that side with Ben Gerring replacing Jamie Frampton in the heart of the defence.

As last week Weymouth made a good start with Warren Byerley putting his side ahead inside two minutes. Sam Malsom picked up Scott Dixon's throw in close to the left corner and lifted the ball over Jamie Whisken before laying the ball across the goal for Byerley to tap home at the far post.

Malsom bagged the second five minutes later. It appeared that keeper Grant Porter was anticipating his right footed cross from the left to be met by Byerley who was under pressure from Matt Oldring. However neither got a touch on the ball and it bounced into the far corner of the net.

Things got even better for the hosts when Byerley scored Weymouth's third with just 12 minutes on the clock. Stephen Reed's corner was headed back to him and from his second effort Byerley rose unopposed to head home with Porter rooted to the spot.

Soon after Aiden Lewis hacked Sam Poole's header from Reed's corner off the line as the Stags reeled from the shock of Weymouth's explosive start, before Craig Duff rattled the outside of the post.

Totton gradually composed themselves and pulled a goal back from the penalty spot on 26 minutes when Gerring grabbed former Terra and Magpie midfielder James Coutts as he dinked the ball over the former skipper as he headed for goal. Michael Gosney blasted the ball high into the net from the spot.

This raised Totton's hopes and they took control in the last fifteen minutes of the first half, and produced a couple of half chances themselves, but the home defence stood firm.

Weymouth keeper Tom Manley dealt with a Mark Osman shot and thwarted Nathan Jack early in the second half that then saw Gerring strike the crossbar with a header from a corner.

Weymouth supporters must have been thinking the worst when Totton scored their second midway through the half. Byron Napper in nipping the ball off Jonathan Davies's foot played it into the path of Nathaniel Sherborne who controlled it, switched feet and drove a low left footed shot just inside Manley's left-hand post from the edge of the box.

To their credit Weymouth did not panic, and after Byerley had another effort cleared off the line, sub Jamie Beasley almost scored with his first touch but Porter saved with his legs to deny him.

Manley ensured Weymouth's safe passage when he saved well from Davies' 25-yard free kick.

Magpies struggle continues

DORCHESTER TOWN 0 BOREHAM WOOD 1 ATT: 443

DORCHESTER Town's inability to score goals once again proved crucial as they slipped to their fifth home defeat of the season.

The Magpies failed to register a shot on goal as they toiled against an ordinary Boreham Wood team who themselves have found goals harder than their hosts to come by this season.

The win however lifts the visitors above the Magpies who at the start of play only led the Wood by virtue of the fact they had scored three more goals.

In a game lacking real tempo and verve things might have been different if Harrison Bell's sixth minute header had dropped into the net rather than striking the crossbar.

Kyle Critchell released Ryan Moss down the left and Bell snuck in between keeper Elvijs Putnins and a defender, but the ball came back off the woodwork and was cleared.

Moss and on-loan Adam Mekki were giving the visitors defence a run for their money and Wood's skipper Luke Wilkinson was booked after pushing over Mekki as he went by soon after the Aldershot loanee had turned and fired a 25-yard shot just wide of the far post.

Boreham's first real foray on the Magpies goal came midway through the half when David Hutton should have done better than heading the dangerous Sam Lechmere's cross wide of goal from 8 yards.

Moss got free again down the left, and although his cross eluded Bell as he slid in, he quickly moved inside to get in a header when Ryan Dovell retrieved the ball and crossed.

Then with their first meaningful effort on goal Boreham scored the decisive goal.

Big defender Charlie O'Loughlin failed to get full contact on Hutton's corner, but deflected the ball on to the far post where David Bryant's looping header dropped over Alan Walker-Harris and beyond the recovering Neil Martin on the line.

Wood's Mark Jones was perhaps a little lucky to escape with just a yellow card when he cynically scythed down Meeki near the right touchline after man-of-the-match Lewis Tallack had set the striker free after breaking up a Wood attack with a superb crunching tackle on Michael Thalassitis.

In the dying seconds of the half Wood claimed a penalty after Jake Smeeton had tangled with Lechmere near the edge of the six-yard box but referee Andy Bennett refused their plea.

Manager Ashley Vickers introduced Nick Crittenden in place of Bell at the break in an attempt to get behind the Wood's defence, but little was seen of the former Glover returning after a hamstring injury who was starved of the ball.

The second period followed the first with little goalmouth action at either end although Dorchester had a scare just after the hour when Bryant toe poked a hopeful punt downfield beyond the outrushing Walker-Harris, but his shot from an angle drifted harmlessly across the goal.

Moss was then injured in a collision with Putnins and O'Loughlin that saw his head heavily bandaged after treatment for a cut.

Walker-Harris produced a superb save with a quarter of the match to go when he spectacularly tipped a vicious Hutton thunderbolt from 20-yards over the bar after sub Pelly Ruddock had headed the ball back to him.

Dorchester picked up their game in the final ten minutes as they went looking for the equaliser leaving opportunities for Boreham to exploit on the break. From one Lechmere cleverly jinked his way past two defenders but then blazed his shot over the bar from the angle of the six-yard box.

At the other end Putnins dropped sub Steve Devlin's cross but O'Loughlin was able to block Chris Flood's attempted return cross, and then in the third minute of added time Moss beat the keeper to another Flood cross, but his header just flew over the angle of the goalframe.

Bees same old failing

BRIDPORT 1 BISHOP SUTTON 2 - ATT: 105

BRIDPORT once again rued missed chances as they were beaten by Bishop Sutton in a high tempo match on a cold night at St Mary's Field.

The failure to convert chances has been the Bees downfall all season so far and it manifested itself again as Bridport were beaten by two fortunate first half goals, and although they finally found the net via an opponent, it was too little too late.

Manager Trevor Senior was forced into a number of changes following Saturday's 2-0 win over Ilfracombe. Chris Clarke and Chris Senior both had ankle injuries, whilst Sam Filkins was unavailable. With Sam Charles still suspended and Darren Watts not available, Jamie Fry, Darren Lock and Dan Peart all started.

Bridport were almost caught out in the 6th minute whilst they were arguing about a free kick they had conceded on the edge of the box. A quick free-kick gave Darren Hawkins

a great chance, but Fry was out quickly to block his shot.

The ball immediately switched to the other end and Tom Richardson's pass saw Peart beat the Bishop's keeper Lee Matthews to the ball and slide it towards goal from an acute angle, but defenders Aaron Robins and Like Andrews managed to scramble it clear between them.

Richardson then drove just wide of the far post, before Liam Farmer cut in from the left to force Fry to palm his shot away to safety at the other end.

Both sides were creating chances and skipper Lock was unlucky with a header from Dan Wise's cross that just went wide of the post before Fry was once more called into action to turn away Hawkins 30-yard shot low to his right.

The visitors took the lead on 32 minutes with a very fortunate goal. Todd Winter completely miss kicked a cross from the right as Fry went down at his feet, and the ball bobbed over the keeper allowing John Moss to score from close range.

A second goal a minute before the break gave an unfair reflection of the game. A cross was headed back into the goalmouth where Moss following in just managed to reach it ahead of a defender and volley in from eight yards.

Bridport started the second half brightly and Matt Condliffe had Matthews flying across his goal to turn away his 35-yard shot.

Slowly however Bishop Sutton began to exert the pressure and it looked like they might add to their score, although they ahd to thank Matthews again; this time blocking Richardson's first time shot with his legs after Bridport's man-of-the-match Peart had shown some silky skills by cutting along the edge of the penalty box before laying a superb ball into the Bee's striker.

Senior gambled with 20 minutes left by introducing strikers Ben Clarke and Jamie Morgan and going three at the back. The plan worked as Bridport peppered the Bishop's goal. Wise just missed with a 30-yard shot, before Joe Charles headed just wide from Wise's corner and Shane Evan's hooked Morgan's cross just beyond the far post.

Their pressure told in the last minute of normal time when sub Sam Payne, who had barely been on the pitch a minute, and Matthews got into a tangle from Robin Jones's cross and with both prostrate on the ground the ball bounced off Payne into goal.

However despite a very late chance for Russell Legg, the Bees could not get that other goal their endeavour deserved.

Talking to **VIEW SPORTS** immediately after the game, manager Trevor Senior said: "I'm pleased again how we have played, it's chances really, as we had enough to have won it. They scored two sloppy goals but we don't seem to have that luck at the moment. Their first was a miss hit yet earlier when Dan Peart beat the keeper somebody gets back to hack it off the line.

"It will go our way eventually if we keep believing in it, but we didn't deserve to be two down at half time. Then when we gambled towards the end it almost paid dividends; it's just disa" We are not too far away really; we just need a bit of the rub of the green. We've made a lot of changes tonight but the lads who have come in have all done very well, and it's encouraging that we have such a good squad of players to call upon."

Bees downed by Osborne double

CHRISTCHURCH 2 BRIDPORT 1 - ATT: 72

A WELL taken brace from Christchurch's top goalscorer Ben Osborne dashed any hopes of Bees fans walking Wembley Way to see their team this year.

Although there was a bit of fortune with both goals, Osborne produced excellent finishes to knock the Bees out of the FA Vase 1st Round, and earn themselves £900.

Sam Filkins had to be alert in the second minute when Osborne had a chance on goal but with the help of Ryan Hayer and Joe Charles to crowd him out, Filkins turned his effort around the post.

Sam Charles gave Bridport the lead in the 24th minute when he pounced on the ball after Chris Senior's shot had been blocked by Church's keeper Stewart Kearns. His first effort came back off the crossbar but he was on hand to bundle the ball over the line at the second attempt.

Kicking down the slope Bridport didn't allow the home side many chances on goal, and whilst Bridport's efforts were also few, Sam Charles was unlucky with an effort that just cleared the angle of the goalframe and another, an attempted chip over Kearns.

Christchurch equalised two minutes after the break when Chris Senior made a good tackle on the edge of the box. Unfortunately the ball fell to Osborne, who although with still a bit to do, found the bottom right corner with his left foot.

Filkins was then forced into a good save at his left hand post from Osborne's header before Matt Condliffe turned with his back to goal and fired in a shot from 12 yards. Unfortunately it went straight at Kearns, a yard either side would have been enough.

Sam Charles then saw his free kick hit a defender and deflect on to the crossbar as Bridport built up momentum.

However the luck that has deserted the Bees this season so far continued when Osborne struck the winner with 15 minutes left. The ball got stuck under the otherwise immaculate Shane Evans' foot when it was played into the area, and the Church striker was quick to pounce and fire home from 10 yards.

BRIDPORT RESERVES 0 WESTLAND SPORTS 2

BRIDPORT Reserves gave a much improved performance against high flying Westland Sports in the first round of the Magna Dorset Premier League Cup, following their dismal defeat against Hamworthy Rec two weeks ago.

The Bees only lost narrowly 2-1 against the Somerset side six weeks ago in the league, and once again they ran them close, but their extra class showed in the end, although they had to wait until 10 minutes from time to ensure safe passage with a penalty.

Dan Corden gave Sports the lead midway through a fairly even first half, and made the game safe with Sam Jarman's penalty after Sam Day had fouled.

Joint manager Steve Crabb was pleased with his side's performance but agreed that Westland's deserved victory.

"I was a little disappointed to lose, but they are a good side and I have no complaints about either of the goals; they deserved to win on the day. They are a top side and we certainly pushed them and we want to compete with the better sides.

"We had our chances and the game was in the balance until the penalty, but it was a much improved performance."

◆ *Bridport Thirds had a comfortable 3-0 away win at Lytchett RT to maintain third spot in Dorset League Two.*

PORTLAND U12 2 BRIDPORT 5

LEAGUE leaders Bridport put in a strong passing display at windswept Portland to remain unbeaten.

Both teams started strongly testing each other's defences, but it was the visitors who took the lead with a Tom Hyde goal who followed up with his second soon after. Portland did score one in reply only for Man-of-the-Match Harry Kirby to volley in a fine goal to give Bridport a 3-1 interval lead.

The second-half saw Bridport continue to dominate the play and Henry Davey soon increased their lead, but Portland hit back with a long range shot. Bridport made the game safe when Davey tapped home the fifth.

Manager Mark Scadding said: The lads should be proud of the way they are starting to bond as a team, and the great team spirit they are showing.

Also, much should be said for Portland and there official, who with their fair play attitude to how the game should be played, along with Bridport, made this a brilliant encounter of good youth football."

Bowls: Stunning win for Bridport men

BRIDPORT Men's indoor bowls team are through to the next round of the National Denny Cup Inter-Club Knockout competition after a magnificent 86-77 win over Donyatt.

It was a match of incredible twists and turns. At home Max Dare, Mike Long, Brian Morgan and Ken Enticott started well, before their opponents came back to win 23-19.

Gordon Lee, Brian Walsh, Brian Conisbee and Brian Rumble were in trouble early on before they got going to pull off a fine 18-4 win to tie up the score line at home 37-37.

At Donyatt, Arthur Stone, Bernard Winton, David Eastman and Ivor Parker played out of their skins to take a 18-11 lead - finally winning 25-19.

It looked all over though as Brian Baker, David Roberts, Brian Iversen and Bill Payne were almost dead at 4-20 down, but with the final nail about to go in their coffins they got hold of the jack and changed the length of play to rise up and score 20 shots without reply to finally win 24-21.

Spokesman Baker said: "I have been playing this game for over 30 years and played in hundreds of matches, but without doubt this is one of the most incredible turn arounds I have seen."

◆ County President Pat Cole brought her County Side to Bridport for a friendly match against Bridport ladies, with Bridport ladies coming out on top 96-62 overall.

Scores: Laura Taylor, Thelma Pratt, Melody Watts, Barbara Iversen 23-10. Pamela Daters, Janet Tattershall, Leslie Broom, Margaret Clapp 23-15. Joan Griffiths, Gill Hunt, Annie Bowden, Millie Meech 29-20. Joan Higman, Liz Walker, Mary Eastman, Edna Cumberland 21-17.

Senior: We didn't deserve to lose

By Stuart Broom

BRIDPORT manager Trevor Senior felt his side had done enough to have at least earned extra time following their 2-1 FA Vase 1st Round defeat at Christchurch on Saturday.

"To be fair they are a decent side, and I'm pretty pleased with how we played and couldn't fault anybody as they were absolutely superb. I was a bit disappointed that we didn't get the opportunity of a replay or at least extra time.

Sam Charles had given the Bees an interval lead, but Christchurch won the tie with two second half goals from their striker and star man Ben Osborne.

"With a bit of luck we might have had more goals, whilst although Osborne took his goals well, there was a bit of fortune with both of them," said Senior.

"Their first came after Chris Senior had made a good tackle just on the edge of the box after Christchurch had launched a counter attack. Un-

fortunately the ball broke to Osborne who to be fair still had a bit to do, but he took it well.

"Their second was a result of the ball getting stuck under Shane Evans' foot, and Osborne again pounced to score from ten yards. It was unlucky as Shane had a superb game."

Senior had done his homework on the opposition having watched them against Fawley and his observations were spot on.

I noticed that their keeper often rolled the ball out to their left back (David Legg) who started a lot of the attacks, so I asked Tom Richardson to do a marking job on him in the situation and he did it well, Legg only getting one ball from his keeper.

"I also asked Russell Legg to do a man marking job on their experienced midfielder Mark Smith. He did

such a good job, Smith hardly got a kick.

"Osborne was the other big danger and we tried to stop balls into his feet as he is very tricky on the ground, and to a large extent that worked.

"I know he scored the goals but they were both from unfortunate situations."

Playing down the hill in the first half Bridport had the better of the game, and with everyone working to instructions Senior had no complaints.

"They did everything I asked, and so it was disappointing that they got a bit of fortune so early in the second half, because soon after they equalised, Matt Condliffe might have scored had his shot been either side of the keeper, and Sam Charles had a shot deflected off a defender and on to the crossbar.

"If either of those had gone in then I think it would have been too much for them to come back.

PALMERS Brewery were delighted to win this year's draw to sponsor Bridport Rugby Football Club's team kit.

Cleeves Palmer, Sales and Marketing Director said: "Many of the brewery team are very keen on the game and have played at various levels. I was passionate about playing rugby at school and Tim Woodrow, our Tenanted Trade Director, captained Ex-

eter and Devon, and at the end of his playing career was lucky enough to play for Cardiff for two years."

The Blues first team are pictured above in the new strip before their recent match against Warminster, together with Cleeves Palmer in the centre of the back row.

"I know I sound a bit like a long playing record because I repeat it every week, but I have no doubt our fortune will change, it will come, and no better place than on Tuesday

when we host Wells City.

"They beat us 6-2 at their place early on but it was not a fair reflection of the game."

Although Senior will be without

Adam Symes and Chris Clarke for the game, he is happy that he now has a strong squad of 16 or 17 players, all of whom are worthy of places in the team."
